Somerville And Ross:

The Selected Letters of Somerville and Ross Edith Somerville, Martin Ross, 1991 Edith Somerville 1858 1949 and Violet Martin Ross 1862 1915 are among the best known names in English Irish literature They were cousins who entered a literary partnership that produced the 19th century Irish novel *The Real Charlotte* and its series of comic stories *Some Experiences of an Irish R.M.* Somerville and Ross exchanged many hundreds of letters which were often lively and full of close observation The letters are amused intelligent and curious recording aspects of Irish life previously overlooked Their portrait of Ireland during a momentous 30 year period up to 1915 is both vivid and comprehensive The letters chronicle the last days of the big house and chart the course of a unique collection between two gifted and unusual women [The Irish Scene in Somerville and Ross](#) Julie Anne Stevens, 2007 Ireland's foremost female writers of the nineteenth century Edith Somerville and Martin Ross advocated the High Art of Comedy during the period of transition and turbulence in the Irish countryside This critical biography of their collaboration from 1890 to Martin Ross's death in 1915 studies the self-conscious artistry of the creators of the finest novel of the nineteenth century *The Real Charlotte* 1894 It considers the influence of both popular culture and high art in the treatment of the volatile Irish landscape and looks for the first time at the contexts of the immensely popular Irish R.M. stories and Edith Somerville's accompanying illustrations The writers sly send ups of romantic notions of Irishness are revealed while using certain expectations of a picturesque countryside to their own advantage The book recontextualizes the writers' fiction and illustrations through interdisciplinary and cross-cultural methods by considering the influence of the visual arts theatrical production antiquarian study and literature derived from Irish British and European sources In addition to Somerville and Ross's interest in popular and elite art forms the book stresses the writers' all-consuming interest in land politics suffragism the Irish character and the Irish language the workings of the law in the Irish countryside and above all money and its lack in the small farms and cottages of Ireland [Somerville and Ross](#) John Cronin, 1972 **Some Experiences of an Irish R.M.** E. influence of two prominent agents A P Watt generally acknowledged as the first professional literary agent and J B Pinker the leading figure in the second wave of agents focusing on their respective relationships with two key clients The case studies not only provide insight into the business dynamics of the literary world at this time but also illustrate the shifting definition of literature itself during the period **Further Experiences of an Irish R.
