

Somewhere Falling

Take the blueness of daybreak. Laugh,
unbothered by the lucent
 shadows. Today I slept,
mawkishly normal, mild
behind the mirror. Already, I can feel
 the horizon issue forth
its brazen beauty . . . entering the
dusk of a new tomorrow. Disguising myself
 the same as yesterday, I resurrect
my war - caged in plastic garments.
You are right, we travel in circles,
 swallowed by the movements that affirm
our preconceptions. Are these dreams?
My breath sails between air-tight
 walls. I eat lemon-drops
by the moon, honoring my thirst
for solitude. Behind the wheel,
 the years dance
elusive before me, giving shape to
my soul. Turning, trespassing
the boundaries of time
& sea, I wash my face in the wind &
dissolve into the skinless sky -
 Transfigured.

Somewhere Falling
