his return from Munich I went with my older sisters to the academy exhibition of 1878 where his picture Ready for the Ride was shown and we were all very anxious to meet the young painter after seeing it The canvas it will be remembered made quite a sensation in art circles When F S Church already a friend of the family brought William M Chase to the house we were all very much excited over the event But out of all my memories of that early association and Mr Chase was a frequent visitor at our house I can recall very few things that he ever told us of his early life I suppose there were two reasons for this In the first place Mr Chase had never at any time any tendency to talk about himself He disliked it extremely and was always embarrassed when he found himself the subject of conversation The other reason is that my husband was interested in art to such an extent that other things really made very little impression upon him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
