**Some Notable "Hamlets"** Clement Scott, 2015-07-07 Excerpt from Some Notable Hamlets Of the Present Time I have for many reasons had a strong desire to gather together and republish these criticisms of Hamlet written by Mr Clement Scott My first reason for doing so is because I feel sure they will be very welcome to that large section of theatre goers who admire the earnest dramatic work of Clement Scott poet playwright essayist novelist and dramatic critic Another reason is that they will certainly form a weighty contribution towards a future history of the English stage And thirdly I hold the subject to be of sufficient importance to warrant the rescue from the limbo of old newspapers of these critiques of some of the most notable performances of Shakespeare s masterpiece our age has seen About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
