The Book of the Farm. 2. Ed. (illustrated.) Henry Stephens,1851

A Literary History of the American West Western Literature Association (U.S.),1987

Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance
