**What Are the Ten Commandments?** Yona Zeldis McDonough, Who HQ, 2017-10-10 Learn the story behind the ten laws that have been the guiding light of Judeo Christian belief Not just about Moses whose origin story leaves open questions this book looks back at the time when the commandments were written how the belief in one all powerful God set the Israelites apart from other ancient peoples and the roles the Ten Commandments have played in Judaism Christianity and Islam It also looks at what each individual commandment means and how together they form the basis of leading a moral life as well as forming a just government *The Ten Commandments* William P. Brown, 2004-01-01 Offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the Ten Commandments William Brown organizes his volume into three parts the history of interpretation contemporary reflections on the Decalogue as a whole and contemporary reflections on individual commandments A useful addition to ethics as well as Old Testament and Hebrew Bible courses

Brown's The Ten Commandments will be a standard reference for all Decalogue research as it facilitates a helpful balance between moral theological and biblical study. The Library of Theological Ethics series focuses on what it means to think theologically and ethically. It presents a selection of important and otherwise unavailable texts in easily accessible form. Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field.

**The Ten Commandments and Human Rights** Walter J. Harrelson, 1997. The Ten Commandments and Human Rights sets out to evaluate the importance of the Ten Commandments for the life of faith today. The general thesis is that the commandments are immensely important not only for Jews and Christians but for all persons seeking to find or to reaffirm a moral foundation for their life and for the life of their children, their religious community and their society. The fact that the commandments are put negatively is immensely important for it means that the community that claims these commandments and builds on them has to work out for itself the positive import of not having other gods, not worshipping idols, not profaning the sabbath, not killing and stealing and committing adultery. Put negatively these commitments become the groundwork for a humanly free and responsible search for the will of God for individual, family and corporate life today and in any day. It is true that the commandments originate in ancient Israel, are central to the faith of prophets, priests and sages and are claimed and made foundational by Jesus for the Christian community. But these commandments also share much with, for example, the Universal Declaration of Human Rights which has been presented by the United Nations for adoption by all the nations of earth. The Ten Commandments and Human Rights seeks to show how to avoid moralistic use of the Ten Commandments in religious life today while still affirming that there are absolutely foundational prohibitions that can and must guide the moral life of all peoples. The Ten Commandments need very little revision in order to become such a foundation for a free and responsible life today.

**The Ten Commandments** Michael Coogan, 2014-04-28. Are the Commandments really written in stone? A biblical scholar offers an engrossing and enlightening guide to one of the world's great legal codes. Booklist. In this lively provocative book, Michael Coogan takes us into the ancient past to examine the Ten Commandments, also known as the Decalogue. How among all the laws reportedly given on Mount Sinai did the Ten Commandments become the Ten Commandments? When did that happen? There are several versions of the Decalogue in the Old Testament, so how have different groups determined which is the most authoritative? Why were different versions created? Coogan discusses the meanings the Ten Commandments had for audiences in biblical times and observes that the form of the ten proscriptions and prohibitions was not fixed as one would expect since they were purported to have come directly from God, nor were the Commandments always strictly observed. In later times, as well, Jews and especially Christians ignored and even rejected some of the prohibitions, although the New Testament clearly acknowledges the special status of the Ten Commandments. Today it is plain that some of the values enshrined in the Decalogue are no longer defensible, such as the ownership of slaves and the labeling of women as men's property. Yet in line with biblical precedents, the author concludes that while a literal observance

of the Ten Commandments is misguided some of their underlying ideals remain valid in a modern context [The Ten Commandments](#) Rose Publishing,2021-10-05 Enjoy having a full color fold out chart that gives an in depth look at the Ten Commandments covering the meaning key principles biblical and modern day examples Jesus teachings and more Each commandment has both the traditional and contemporary wording Includes an explanation of each one and why it is important today Contains modern and biblical examples of each commandment Covers Commandments about our relationship to God Commandments about our relationship to other people Jesus and the Ten Commandments History of the Ten Commandments and why they were revolutionary for their time 14 panels fits inside most Bibles 8 5 x 5 5 inches unfolds to 38 inches long 4 Key Features of the Ten Commandments Pamphlet from Rose Publishing Quick Reference Includes a chart packed with simple summaries and explanations to quickly find information on each commandment key principles Bible examples Jesus teachings Scriptures and explanations at a glance Easy to Read Designed with clear headings outlines and easy to read fonts Fascinating Facts Packed with fascinating facts such as Jesus said that every commandment in the Bible hangs on two basic principles Loving God and loving others Relevant Practical Filled with relatable and modern day examples to help you apply each commandment to your life The Ten Commandments is an ideal Bible study resource for youth and adults This 14 panel pamphlet can be read in 30 minutes and shows both the traditional and contemporary wording of each of the Ten Commandments a principle and the meaning of each commandment what Jesus taught about the commandments and why the Ten Commandments are important today Perfect for Group and individual Bible study Church libraries Young adults groups New believers To hand to a friend And more **The Ten Commandments** Mark Rooker,2010-05-01 From the acclaimed New American Commentary Studies in Bible Theology series a book examining the ancient and modern significance of each of the Ten Commandments **The Ten Commandments: What They Mean, Why They Matter, and Why We Should Obey Them** Kevin DeYoung,2018-10-15 Are the 10 Commandments still relevant today Do they still apply Which ones What do they mean in light of God s mercy revealed in Jesus Highlighting the timelessness and goodness of God s commands pastor Kevin DeYoung delivers critical truth about the 10 Commandments as he makes clear what they are why we should know them and how to apply them This book will help you understand obey and delight in God s law commandments that expose our sinfulness and reveal the glories of God s grace to us in Christ **The Ten Commandments** Roderick C.
