Williams, 1992-04-01 Winner of the Gay Book of the Year Award American Library Association Ruth Benedict Award Society of Lesbian and Gay Anthropologists Award for Outstanding Scholarship World Congress for Sexology Author's note Shortly after the second revised edition this book was published in 1992 the term Two Spirit Person became more popular among native people than the older anthropological term berdache When I learned of this new term I began strongly supporting the use of this newer term I believe that people should be able to call themselves whatever they wish and scholars should respect and acknowledge their change of terminology I went on record early on in convincing other anthropologists to shift away from use of the word berdache and in favor of using Two Spirit Nevertheless because this book continues to be sold with the use of berdache many people have assumed that I am resisting the newer term Nothing could be further from the truth Unless continued sales of this book will justify the publication of a third revised edition in the future it is not possible to rewrite what is already printed Therefore I urge readers of this book as well as activists who are working to gain more respect for gender variance mentally to substitute the term Two Spirit in the place of berdache when reading this text Walter L Williams Los Angeles 2006 **Navaho Indian Myths** Aileen O'Bryan, 2012-05-04 Rich compilation of Navaho origin and creation myths recorded directly from a tribal elder The Creation of the Sun and Moon The Maiden who Became a Bear and many more **A Broken Flute** Doris Seale, Beverly Slapin, 2006-12-21 The Winona dilemma Lois Beardslee No word for goodbye Mary TallMountain About the contributors **Two Spirits** Walter L.
