Understanding Religious Change in Africa and Europe: Crossing Latitudes Nathan Irmiya Elawa, 2020-04-15 This book examines and compares the religious experience of an African group with a European one It offers an ethnographical investigation of the

Jukun of north central Nigeria The author also organically weaves into the narrative the Christianization of the Irish in a comparative fashion Throughout he makes the case for an African Christianity connected to a Celtic Irish Christianity and vice versa as different threads in a tapestry This work is a product of a synthesis of archival research in three continents interviews with surviving first generation Christians who were active practitioners of the Jukun indigenous religion and with former missionaries to the Jukun On the Irish side it draws from extant primary sources and interviews with scholars in Celtic Irish studies In addition pictures diagrams and excerpts from British colonial and missionary journals provide a rich contextual understanding of Jukun religious life and practices The author is among the emerging voices in the study of World Christianity who advocate for the reality of poly centres for Christianity This perspective recognizes voices from the Global South in the expansion of Christianity This book serves as a valuable resource for historians anthropologists theologians and those interested in missions studies both scholars and lay readers seeking to deepen their understanding of World

Christianity Shalom, the Spirit and Pentecostal Conversion Grace Milton,2015-08-17 In *Shalom the Spirit and Pentecostal Conversion* Grace Milton presents a uniquely practical theological model of Pentecostal conversion centered on empirical data from a congregational case study Pentecostal Charismatic conversion is commonly equated with a dramatic Damascus road type event which directly opposes prevailing theories within the social sciences that conversion is a more gradual process over time This raises the question how far do these Pentecostal stereotypes reflect lived experience In this book for the first time the experiences and beliefs of ordinary Pentecostal believers are drawn into conversation with conversion theories from the human sciences sociology psychology and anthropology and theology The result is a distinctly Pentecostal model of conversion which interprets religious transformation through the theological lens of *Shalom Shepherds of the Steppes* Mark D. Wood,2023-06-01 The evangelical Mongolian church has experienced significant growth since the country opened to the world in 1990 Despite the growth and emergence of the evangelical church in Mongolia relatively little has been written on the church from the perspective of the leaders themselves This ethnographic study seeks to express the experience of male evangelical Mongolian church leaders in their own words The book focuses specifically on the leaders experiences of conversion discipleship navigation of Mongolian culture and traditions and theological education Readers will hear from evangelical church leaders why they became Christians and what their experience with discipleship was like for them The issue of contextualization for evangelical Christians is also a central focus In particular the translation of the term for God in Mongolian and the perspective of the church leaders are explored This book will be of interest to those exploring Christianity in Asia and post socialist contexts as well as seeking to better understand contemporary Mongolian culture

The Oxford Handbook of Religious Conversion Lewis Ray Rambo,Charles E. Farhadian,2014 The *Oxford Handbook of Religious Conversion* offers a comprehensive exploration of the dynamics of religious conversion which for centuries has profoundly shaped societies cultures and individuals throughout the world Scholars from a wide array of religions and

disciplines interpret both the varieties of conversion experiences and the processes that inform this personal and communal phenomenon This volume examines the experiences of individuals and communities who change religions those who experience an intensification of their religion of origin and those who encounter new religions through colonial intrusion missionary work and charismatic and revitalization movements The thirty two innovative essays provide overviews of the history of particular religions including Hinduism Buddhism Confucianism Taoism Sikhism Islam Christianity Judaism indigenous religions and new religious movements The essays also offer a wide range of disciplinary perspectives psychological sociological anthropological legal political feminist and geographical on methods and theories deployed in understanding conversion and insight into various forms of deconversion

African Conversion Brendan Patrick Carmody,2001

Review of Religious Research ,2005-09

Education in Zambia Brendan Patrick Carmody,1999 This book fills a gap by providing a much needed history of Catholic missionary education in Zambia It traces the contribution of the Catholic Church s contribution to the development of education in Zambia over more than a century providing more widely an overview of Zambia s educational history and insights into the development of the country s political history It articulates the perspectives of missionaries and officials of education departments of Zambian students lecturers and administrators The study further vividly illustrates how the mission school generated creative tension between modernity and education and Christian conversion and analyses the psychological impacts of religious conversion and how these have been played out in Zambia It argues that in the circumstances Catholic schools have been instruments of liberation in Zambia but duly recognises the ambiguities of modernisation and the need to respect and acknowledge the riches of local tradition

Faith Seeks Understanding Arthur Frank Holmes,1971 A book that has been needed for several years It certainly will be one of the most important evangelical books of the year Its exploration of possible Christian answers to some of the basic problems of philosophy is thoughtful well written and bears all the marks of having been written by a highly competent philosopher Ronald H Nash Western Kentucky University

Comprehending Cults Lorne L. Dawson,2006 Tackling popular misconceptions about new religious movements Comprehending Cults summarizes synthesizes and assesses over 40 years of research by historians sociologists and psychologists This excellent introduction to the study of new religious groups offers a balanced treatment of new movements as a source of spiritual satisfaction while confronting issues of violence sexuality and brainwashing within religious cults

Religious and Ritual Change Pamela J. Stewart,Andrew Strathern,2009 The topic of religious and ritual change including conversion from one modality of practices to another has emerged in recent years as a prime focus of scholarly attention in anthropology and related disciplines such as history sociology political science and religious studies Conversion to Christianity is one focus that has developed within this broad and dynamic field of investigations This edited volume is a unique set of studies that explores this field further with a doubly innovative approach First the chapters represent a collaboration of leading scholars from

Taiwan and from the USA and Europe Second the studies involve a comparative dimension juxtaposing work done among indigenous Austronesian minorities in Taiwan and work done in the Pacific Islands Papua New Guinea and the Solomon Islands Within this collection of essays common processes of change are evident while the importance of specific histories is revealed and analytical and theoretical issues are probed and reviewed in ways that demonstrate their relevance to the overall dimensions of comparison No other work in this arena of study has brought together scholars with such a comparative framework in mind This volume is relevant for scholars and students of religious change generally as well as those readers who are interested in the wider Asia Pacific region minority groups Christianity indigenous movements and the socialization of the ritual body in contexts of historical and cosmological change This book is part of the Ritual Studies Monograph Series edited by Pamela J Stewart and Andrew Strathern Department of Anthropology University of Pittsburgh A wide range of views are offered Overall the book offers itself as a detailed archive of ethnographic information for further analysis and interpretation of these and other issues Religion and Society Advances in Research British Muslim Converts Kate Zebiri,2008 The only exploration of this unique group in British society this well argued and powerful book investigates the fascinating contribution that Western converts to Islam are making to a distinctive take on Islamic thought and discourse Informed by interviews with British converts as well as published and internet material Zebiri asks whether converts could act as much needed mediators in the growing divide between Islam and the West **Halle and the Beginning of Protestant Christianity in India** Andreas Gross,Y. Vincent Kumaradoss,Heike Liebau,2006 **The Firstborn of Many: To hope in Jesus Christ** Donald L. Gelpi,2001 Content Description v 1 To hope in Jesus Christ **Border of Death, Valley of Life** Daniel G. Groody,2002-07-30 This is a powerful first hand account of a religious ministry that reaches out to console heal and build the lives of poor and desperate immigrants who come to the United States in search of a better life

Understanding Religious Conversion Introduction

In today's digital age, the availability of Understanding Religious Conversion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Understanding Religious Conversion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Understanding Religious Conversion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Understanding Religious Conversion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Understanding Religious Conversion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Understanding Religious Conversion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Understanding Religious Conversion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Understanding Religious Conversion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Understanding Religious Conversion books and manuals for download and embark on your journey of knowledge?
