Sure Thing:

Supersaurio Meryem El Mehdati,2025-11-25 An uproarious debut novel about a young woman from the Canary Islands whose internship with a supermarket chain reveals the soul crushing vagaries of modern life Meryem is twenty five years old drinks too much coffee goes on dates with terrifying men and never says what she really thinks A Canarian from a Moroccan family she s just started working as an intern at a mega chain supermarket where the only thing she and her boss have in common is their mutual hatred for each other To pass the time Meryem begins to write fan fiction starring her office mates Surrounded by insecure and inept individuals she reimagines her bland day job through fabricated office crushes and coworker drama But to get through the daily grind she s going to have to summon more than just her imagination Bold refreshing and darkly comedic **Supersaurio** vividly portrays the everyday trials and tribulations of entering your twenties in a world that feels like everything s pitted against you

Organizations Behaving Badly Daniel J. Svyantek,2021-01-22 This volume explores how individual actors organizational contexts and behaviors interact to create negative organizational practices It provides case studies and empirical research offering insights into controlling these behaviors with basic HR practices aiming to understand and mitigate negative organizational behavior globally [The Back Porch Philosopher](#)

Douglas McLaughlin,2003-09 Our fast paced world is filled with books tapes and television shows that tell us how great life can be if we just listen to them and buy their products It seems that our lives need to follow the same road as the crowd or we won t be happy In *The Back Porch Philosopher* Doug McLaughlin uses cliches both popular and unheard of to relay stories and spread the wisdom that we all have the power within us to find happiness McLaughlin s engaging words and conversational style will make you laugh and make you think about life s choices

Technical Paper - Army Research Institute for the Behavioral and Social Sciences ,1973 **A Brain-Focused Foundation for Economic Science**

Richard B. McKenzie,2018-06-06 This book argues that Lionel Robbins s construction of the economics field s organizing cornerstone scarcity and all that has been derived from it from economists in Robbins s time to today no longer can generate general consent among economists Since Robbins Essay economists have learned more than Robbins and his cohorts could have imagined about human decision making and about the human brain that is the lynchpin of human decision making This book argues however that behavioral economists and neuroeconomists in pointing to numerous ways people fall short of perfectly rational decisions anomalies biases and downright errors have saved conventional economics from such self contradictions in what could be viewed as a wayward approach This book posits that the human brain is the ultimate scarce resource and that a focus on the brain can bring a new foundation for economics and can save the discipline from hostile criticisms from a variety of non economists many psychologists

Planning Based on Decision Theory Giacomo Della Riccia,Rudolf Kruse,Didier Dubois,Hans-J. Lenz,2014-05-04 Planning of actions based on decision theory is a hot topic for many disciplines Seemingly unlimited computing power networking integration and collaboration have meanwhile attracted

the attention of fields like Machine Learning Operations Research Management Science and Computer Science Software agents of e commerce mediators of Information Retrieval Systems and Database based Information Systems are typical new application areas Until now planning methods were successfully applied in production logistics marketing finance management and used in robots software agents etc It is the special feature of the book that planning is embedded into decision theory and this will give the interested reader new perspectives to follow up *Management*, 1924 Lyrics on Several Occasions Ira Gershwin, 1997 One of the most distinguished lyric writers of his time Ira Gershwin wrote for his brother George as well as Jerome Kern Kurt Weill Harold Arlen and others *Limelight* presents a selection of stage and screen lyrics written for sundry situations and now arranged in arbitrary categories to which have been added many informative annotations and disquisitions on their why and wherefore their whom for their how and matters associative Gershwin's comments witty and irreverent and his anecdotes about the making of many favorites are invariably interesting and frequently surprising *Chicago Tribune* *Quantum Interaction* Dawei Song, Massimo Melucci, Ingo Frommholz, Peng Zhang, Lei Wang, Sachi Arafat, 2011-10-21 This book constitutes the thoroughly refereed post conference proceedings of the 5th International Symposium on Quantum Interaction QI 2011 held in Aberdeen UK in June 2011 The 26 revised full papers and 6 revised poster papers presented together with 1 tutorial and 1 invited talk were carefully reviewed and selected from numerous submissions during two rounds of reviewing and improvement The papers show the cross disciplinary nature of quantum interaction covering topics such as computation cognition mechanics social interaction semantic space and information representation and retrieval *Thinking and Deciding* Jonathan Baron, 2023-08-10 The fifth edition of the classic text *Thinking and Deciding* updates the broad overview of the field of judgments and decisions offered in previous editions It covers the normative standards used to evaluate conclusions such as logic probability and various forms of utility theory It explains descriptive accounts of departures from these standards largely in terms of principles of cognitive psychology emphasizing the distinction between search processes and inferences Chapters cover decisions under risk decision analysis moral decisions and social dilemmas and decisions about the future Although the book assumes no particular prerequisites beyond introductory high school algebra it is most suited to advanced undergraduates early graduate students and active researchers in related fields such as business politics law medicine economics and philosophy
