[Negotiation for Entrepreneurship](#) Vimal Babu, Robert Hisrich, 2023-01-10 Everyone has desires Spiritual leaders too give up the mundane life However they carry the deeply rooted desire to attain insights and enlightenment eventually Irrespective of what life one leads one core but common desire is to enjoy the autonomy to make decisions However life introduces one to several ups and downs resulting in both successes and failures Nonetheless one desires to be happy throughout and enjoy whatever is in possession Also one aspires to achieve all that one feels capable of achieving thus driving oneself to take risks against the opportunities identified In the backdrop the present book is for every individual who is either an aspiring entrepreneur or serial entrepreneur irrespective of the domain expertise or industry one represents The book attempts to focus and address a pressing pain point of entrepreneurs quite often entrepreneurs fail to strike great deals on account of poor negotiation skills The stated pain point not only becomes a hindrance in the initial stage of start ups but it also becomes a major challenge for

the entrepreneur as the start up scales up expands diversifies or exits from the market The book is an attempt to eliminate the pain point of poor negotiation skills one of the major factors responsible for the success and failure of start up ventures in modern times Computers and the Information Society Richard S. Rosenberg,1986 This book should be viewed as a guide to current and future applications of computers and their associated benefits and problems Among the basic themes presented are the following the increasing importance of information as a commodity in its own right the emergence and influence of artificial intelligence AI the changing nature of work in response to technological innovation the relation between people and computers at work and play the relationship of advances in computer technology and the possibility of increased centralization of authority personal freedom in the machine age with respect to privacy work and play computers as a dominant force in society *Broadcasting, Telecasting* ,1955 **Manufacturing Engineering and Management** ,1960 **The Dock and Harbour Authority** ,1982 *The Current Digest of the Soviet Press* ,1965 **Welding Journal** ,1991 Bulletin [English Ed] [New Series] International Railway Congress Association,1964 **Ampo** ,1983
