And trouble is the last thing he needs when he's working hard to fill his daddy's boots as the new sheriff. He doesn't have time for frivolous fun with a sassy woman who can't take no for an answer. But when Spring finagles her way into a position as his new assistant, Waylon realizes there's much more to her than meets the eye. She brightens his mundane life with her sunny smile and kind heart, and he suddenly wants springtime each and every day. Spring Hadley isn't trouble. She's a free spirit who sometimes forgets important things like locking up the clothing store she owns with her sisters. When her sisters get mad and call her an irresponsible ditz, she decides to go on a camping adventure to prove that she can make it just fine without her family. Unfortunately, her Jeep breaks down and Spring ends up stranded in Bliss with no money. A temp job is what she needs, and she's determined to get it even if it means tangling with the new sheriff. A sheriff who is hotter than a jalapeno pepper with kisses just as spicy. But when her criminal father blows into town, trouble begins. Accusations fly and the truth comes out. Can a straight-laced lawman and a free-spirited woman make it to the church on time? Or will a secret tear through their spring romance like a Texas tornado?

**Summer Texas Bride** Katie Lane, 2018-06-20

Fireworks are about to light up the Texas sky. Summer Hadley is a woman on a mission. She'll do anything to save her clothing store, including soliciting help from her brother's friend. But sexy, savvy businessman Ryker Evans wants nothing to do with her. So Summer does what any red-blooded Texas gal would do: She takes the bull by the horns. Waylaying Ryker in his motel room after a family wedding seemed like a good idea, and so did the bottle of persuasion. But business will turn into pleasure when things get a little too hot in the Lone Star State. Ryker Evans has been asked to keep his distance from his best friend's sister. And that's just fine and dandy with him. Summer is too assertive, too opinionated, and too damned tempting. But all it will take is one heated kiss for his morals to melt like ice cubes in warm sweet tea, and there'll be no running from the intense feelings their night together stirs. Especially when Summer rear-ends him, literally. He's forced to recuperate from the car accident in the town of Bliss, Texas, where he'll find himself torn between loyalty to his best friend and loyalty to the woman who could easily rope his heart forever. Trapped together in the sizzling heat of a small town, will Summer and Ryker find a way to save her business and their fragile new relationship? Or will both fizzle out like midnight on the 4th of July?
