The Witness For The Defence:

Witness for the Defense Elizabeth Loftus, Katherine Ketcham, 2024-03-26 The study of memory had become my specialty my passion In the next few years I wrote dozens of papers about how memory works and how it fails but unlike most researchers studying memory my work kept reaching out into the real world To what extent I wondered could a person s memory be shaped by suggestion When people witness a serious automobile accident how accurate is their recollection of the facts If a witness is questioned by a police officer will the manner of questioning alter the representation of the memory Can memories be supplemented with additional false information The passion Loftus describes in the lines above led her to a teaching career at the University of Washington and perhaps more importantly into hundreds of courtrooms as an expert witness on the fallibility of eyewitness accounts As she has explained in numerous trials and as she convincingly argues in this absorbing book eyewitness accounts can be and often are so distorted that they no longer resemble the truth **The Witness for the Defence** Alfred Edward Woodley Mason, 1911 *WITNESS FOR THE DEFENCE A PLAY* A. Mason, 2007-12 The beginning of all this difficult business was a little speech which Mrs Thresk fell into a habit of making to her son. She spoke it the first time on the spur of the moment without thought or intention. But she saw that it hurt. So she used it again to keep Henry in his proper place. You have no right to talk, Henry, she would say in the hard practical voice which so completed her self-sufficiency. You are not earning your living. You are still dependent upon us, and she would add with a note of triumph. Remember, if anything were to happen to your dear father, you would have to shift for yourself, for everything has been left to me.
