## **Touching For Telling:**

**The Old Dualities** Dianne Tiefensee, 1994 In this provocative re-examination of the work of Robert Kroetsch who has been hailed as the father of Canadian post-modernism Dianne Tiefensee argues that Kroetsch's deconstruction fails to address or even comprehend the radical nature of Derrida's theory

**Nonverbal Messages Tell More** Teri Kwal Gamble, Michael Gamble, 2016-07-28 Nonverbal Messages Tell More: A Practical Guide to Nonverbal Communication offers an active and dynamic approach to the study of nonverbal communication. The study of nonverbal cues and messages is a difficult undertaking, but Teri and Michael Gamble have put together a volume that approaches the field from a variety of perspectives. Nonverbal Messages Tell More bridges the relevance gap by making the text more accessible and interesting to students of all levels. It does so by highlighting examples of nonverbal behavior taken from popular culture, including film, television, and broadcast and print news. This volume provides a thorough overview of the classic and contemporary research and theory for nonverbal communication. It contains a number of features, including experiential guidelines and activities that give students better self-insight and understanding of the nonverbal messages other individuals display. At the end of every chapter are a series of follow-up investigations designed to demonstrate mastery of the content and the ability to apply what was just learned. Nonverbal Messages Tell More also presents the necessary know-how for presenting oneself using nonverbal cues that encourage others to perceive you as personable and credible. It leaps ahead of other books on the subject by offering students an engaging, practical, and useful introduction to the study of nonverbal communication.

**Happy Ending** Chloe Liese, 2016-04-14 From USA TODAY bestselling author Chloe Liese, a clever and heartwarming rom-com that is perfect for fans of Christina Lauren and Annabel Monaghan. About two best friends who must fake a relationship for their exes: Thea and Alex have three things in common: they love food, they hate where they live, and they're both divorced. Otherwise, they couldn't be more different. Thea's never cooked a day in her life. Alex is a world-class chef. Alex resents feeling stuck in his hometown. Thea resents the town for not feeling more like home. Thea and her ex are in a contentious custody battle for their dog. Alex and his ex amicably coparent their daughter. Beyond a few friends in common, a couple small-world connections welcome to life in a mid-size city, their lives look nothing alike. Fast forward two years, and they're truly the best of friends. No one would ever know their friendship began as a lie. Two years ago, their exes got together immediately following their divorces, and somehow Thea and Alex found themselves spinning a spite-fueled story about being old friends and first loves. Two years later, what began as a ruse has grown into real friendship, just friendship, despite what friends and family seem to think. But when their exes invite them on a two-week, two-family beach vacation, daughter and dog included, Alex and Thea start to wonder if this story they've spun might have gotten away from them, and if it's led them to the last place they ever thought it could: a happy ending.
