## **Social Indicator Models:**

Social Indicator Models Kenneth C. Land, Seymour Spilerman, 1975-02-14 Deals in comprehensive fashion with a diverse array of objective and subjective social indicators and shows how these indicators can be used potentially to inform and perhaps guide social policy Written with clarity and authority it will be of paramount interest to those concerned with the interpretation and analysis of social indicators and to those interested in their use For the former it serves as an illuminating introduction to some of the analytical tasks that lie ahead in the study of social indicators For the latter it provides a solid foundation upon which future policy analysis may be based

**Social Indicators** Robert J. Rossi, Kevin J. Gilmartin, 1980  
**and Indicators of Social Change** Kenneth C. Land, 1974

**Social indicator Models**, 1972     **The Handbook of Social Indicators** Project Share, 1978     **Theories, Models, and Indicators of Social Change** Kenneth C. Land, 1974  
*Social Indicator Models for Urban Policy* Harvey A. Garn, 1973

**Social Measurement and Social Indicators** Michael Carley, 2025-06-30 For the early pioneers of the social indicator movement the possibilities of doing social good by developing the tools of social measurement seemed endless However in the early 1980s these high and perhaps naive hopes remained unfulfilled especially for the data needs of the policy maker If not pessimistic administrators and public policy makers were at least guarded about the usefulness of social indicators as an aid to increasingly complex decision making These difficulties reflected both policy related and methodological issues Originally published in 1981 *Social Measurement and Social Indicators* is not a how to guide on the construction of social indicators but rather a critical and optimistic view of these central issues as embodied in the literature and in practice at the time Michael Carley contrasts some of the basic problems of social measurement with government's needs for reliable information organised by their policy usefulness and statistical sophistication The book then discusses the critical relationship between social indicators and social theories and models as well as the role of social information in the policy process Later chapters look at the audience the problems and the prospects for national social reports and explore in detail three different applications of social indicators to urban analysis Throughout the book helpful examples are drawn from North American UK and European experience *Social Measurement and Social Indicators* is aimed at a cross disciplinary audience in government and the universities For students it will serve as a compact introduction to the broad field of social indicators for administrators it explores philosophical and measurement problems and suggests criteria for interpretation for researchers it places social indicator efforts into a wider policy analysis perspective with its inescapable political value judgemental and bureaucratic aspects

Social Indicators Kevin J. Gilmartin, 1979     **Human Services Bibliography Series**, 1978-05     Journal of Human Services Abstracts, 1977     **The Project Share Collection, 1976-1979** Project Share, 1979     **Social Indicator Models of Changes in the Status of the Aged: Labor Force, Occupation and Income, 1947-1974**, 1977     **Needs Assessment : Its Future**, 1988     *Social Indicators for the Monitoring of Nutritional Aspects of Societal Well-being* William Alexander McIntosh, 1975     *The Project Share Collection*, 1976
