W.b. Yeats Poetry And Plays Sunil Kumar Sarker, 2002 J M Cohen Wrote That Yeats Was The Greatest Figure In English Poetry Since The Death Of Tennyson And Ezra Pound Who Once Went To Yeats To Learn How To Write Poetry Wrote About Him I Dare Say That Up To Date No One Has Shown Any Disposition To Supersede Him As The Best Poet In England Or Any Likelihood Of Doing So For Some Time Yeats Is A Very Complex And Difficult Poet Because There Is In Him A Curious Intermixture Of Romanticism Realism Mythology Supernaturalism Magic Occultism Automatic Writing Nationalism Private Philosophy And Even Prejudices His Poems Are Very Compact Allowing No Elaborations And Leaving Gaps For The Reader To Imaginatively Fill Them Up And Thus Making Them More Difficult Great Explicators And Commentators Have Of Course Come Forward But They Themselves Sometimes Are Either Difficult Or Not Enough Therefore The One Single Objective Of This Book Is To Introduce The Poet To The General Reader In An Easy Manner To

Give An Idea Of The Poet As Many As Forty One Poems Selected From His Four Stages Of Poetic Development Have Been Explained And All Those Poems Have Been Quoted In Full Yeats Had Also A M tier For Drama And Had Been A Pioneer Of One Act Plays And Wrote No Fewer Than Thirty Plays And So Yeats Has Also Been Discussed As A Dramatist And In Addition Eight Of His Plays Have Been Discussed At Some Length *A History of the Witches of Renfrewshire* ,1877 **The Celtic Magazine** ,1888 *The Expositor* ,1890 Revelation of St. John Zachary F. Lansdowne,2006-05-20 The Revelation of St John the last book of the canonical Bible has been a mystery since it first appeared No other part of the Bible has caused more controversy Traditional interpretations of the book fall into one of three categories the major prophecies that are supposed to have been fulfilled in the destruction of Jerusalem in 70 A D the historical view that Revelation predicts the course of human events from the founding of Christianity to the end of the world or the futurist view that Revelation predicts events that will occur at the end of the world It s actually none of the above writes Zachary F Lansdowne a leading expert in the field of spiritual initiation In the Introduction to this rich and complex interpretation he writes According to its own verses the Revelation is concerned with the present time which is whatever time we happen to be reading it and contains information that we can apply immediately to become blessed This is not a book about end times or Armageddon and when it might come This is a book written entirely in symbols concealing a path for early Christians and for the contemporary reader Lansdowne has applied a unique psychological method of interpretation that takes each symbol as depicting some aspect of human consciousness rather than an eternal event thus showing that the Revelation is actually a detailed instruction for the spiritual journey a map to the wakening of higher consciousness Moreover while the Revelation appears in the great lineage of Judeo Christian tradition Lansdowne shows that its instruction can be appreciated and applied to seekers from any tradition Lansdowne s line by line and verse by verse interpretation presented here in an easy to read side by side format is a manual for the true seeker who would follow teachings of Jesus as they were and are laid out rather than as they have been interpreted by theologians and biblical historians The Revelation of St John when unlocked by the key of psychological methodology is revealed to contain ideas from many diverse wisdom traditions and philosophies archangels in Judaism chakras and kundalini in Hinduism Buddhist mindfulness the redemptive power of love in Christianity and absolute standards of comparison in Platonic philosophy Zachary Lansdowne s revelatory text makes these teachings of the path to true soul initiation available to seekers from every spiritual tradition **Prairie Schooner** Lowry Charles Wimberly,1965
