World Or Instability:

Problems of Stability and Progress in International Relations Quincy Wright, The World's Work, 1929 A history of our time Library of the World's Best Literature, Ancient and Modern: A-Z Charles Dudley Warner, Hamilton Wright Mabie, Lucia Isabella Gilbert Runkle, George Henry Warner, 1897 **The Warner Library: The world's best literature** Charles Dudley Warner, John William Cunliffe, Ashley Horace Thorndike, Harry Morgan Ayres, Helen Rex Keller, Gerhard Richard Lomer, 1917 **Kissinger and Brzezinski** Gerry Argyris Andrianopoulos, 2016-07-27 Going beyond superficial comparisons of Kissinger and Brzezinski this study by comparing their views on world politics and on strategy and tactics for achieving national goals and examining the consistency of their beliefs and actions while in and out of office finds that despite Brzezinski's attacks on Kissinger he shared many of his views and copied many of his actions while in office and that their policy making behaviour was indeed strongly influenced by their shared beliefs Years of Upheaval Raphael Israeli, 2016-01-31 Years of Upheaval discusses Axial periods in history years that witnessed such fundamental reversals in history as to make the world turn upside down and inaugurate a new era Raphael Israeli sees the post 1989 period as such a period in Islam He explores events in the Islamic world since the end of the 1980s and during the 1990s and their aftermath particularly following the Iranian Islamic Revolution the Rushdie Affair and the death of Khomeini Israeli posits these events signaled a new age of Islamic violence and fundamentalism The period has seen the dissipation of state borders and the rise of transnational and trans territorial movements such as ISIS that have been extraordinarily attractive to young people in the Islamic world The hopeful Arab Spring 2010 2013 has been replaced by a threatening Islamic winter A number of major events shook the Muslim world on both the Asian and the African continents as well as peripheral Islamic minorities in Australia Canada and Latin America Among them were the Islamic Bomb and the rise of radical Islamic movements notably Hamas and Hizbullah and the rift between Sunnites and Shiites These and other momentous events in the Islamic world occasioned the Arab Spring and produced unrest in a wide swath of the Muslim world Even more importantly these were forming trends that are characterizing the decades thereafter Language, Linguistics and Middle English Literature Elizabeth Allen, Catherine Sanok, 2025-03-18 Explores the intersections between two fundamental approaches to medieval literature shedding new light on texts ranging from The Canterbury Tales to Le Morte Darthur This volume identifies new methods and questions for language based approaches to medieval English literature and literature based approaches to Middle English by identifying philology as a cross disciplinary practice shared by literary scholarship and linguistics How can late medieval cultural perception and social participation be illuminated by literary language What can language forms tell us about the experience of England's multilingual landscape Contributors trace the relay between imaginative literature and an expanding Middle English lexicon the literary affordances of phonological and morphological features of Middle English and the way that medieval literature engaged with its multilingual sources Essays also consider how social authority is negotiated

in language with a particular focus on highly charged words such as corruption instability and treason and highly charged phenomena such as language contact allusion and genre experiments Together they show that literary and linguistic approaches may inform each other to open new avenues of research on a wide variety of texts including Chaucer's The Canterbury Tales and Troilus and Criseyde Malory's Le Morte Darthur Gower's Confessio Amantis Lydgate's Reson and Sensuallyte and Hoccleve's Regiment of Princes The volume thus pays tribute to the influence on both fields of distinguished medievalist Karla Taylor

Palestinians in Israel after the Arab Spring Yusri Hazran Khaizran, Muhammad Khalaily, 2025-05-01 The Arab Spring initially ignited excitement for Arab society in Israel But following the outbreak of the uprising in Syria Israeli Arab attitudes shifted This book demonstrates why the Arab Spring and especially the war in Syria provoked such deep fragmentation for Palestinians in Israel Based on governmental and public surveys the book shows that many more Arab Palestinian citizens became supportive of instrumental integration with Israeli politics following the Arab Spring But the momentous events convinced other Arab citizens to abandon the connection between finding a solution for the Palestinian problem if it involved integration with the state At the same time this book reveals that the younger generations wanted to search for alternatives to replace the existing political frameworks completely and were inspired to form a new model of political activism This is the first study to explore how the Arab Spring affected Arab society in Israel in terms of identity political discourse and behaviour In doing so it covers the new policy adopted by the central government in Israel formed after 2011 to strengthen civic discourse amongst Arab citizens It has been neither Israelization nor Zionization but Instrumental integration which meets the conditional citizenship offered by the state
