Writing Baseball

Dorothy Jane Mills

Writing Baseball:

The Writers' Game Richard Orodnenker, 1996 Surveying the vast body of nonfiction writing devoted to baseball and exploring the recurrent themes and myths that typify it the book gives special attention to the familiar essay the in depth personal profile and the memoir or autobiography while never skirting seminal works of baseball lore whether early sports guide dime novel or oral history The result is a dozen thematically arranged chapters that inspect the works of scores of writers including Christy Mathewson Stephen Crane Donald Hall Jim Bouton Roger Angell and Annie Dillard and provide a thoroughly entertaining compendium of the history and culture of baseball *Red Smith on Baseball* Red Smith, 2001-12-17 This compendium contains 175 of Smith's most memorable columns recapturing some of baseball's greatest moments and unforgettable characters *Writing Baseball*, 1991 *No Place I Would Rather Be* Joe Bonomo, 2019-05-01 Legendary New Yorker writer and editor Roger Angell is considered to be among the greatest baseball writers He brings a fan's love a fiction writer's eye and an essayist's sensibility to the game No other baseball writer has a through line quite like Angell's born in 1920 he was an avid fan of the game by the Depression era when he watched Babe Ruth and Lou Gehrig hit home runs at Yankee Stadium He began writing about baseball in 1962 and continued through the decades lately blogging about baseball's postseasons *No Place I Would Rather Be* tells the story of Angell's contribution to sportswriting including his early short stories pieces for the New Yorker autobiographical essays seven books and the common threads that run through them His work reflects rapidly changing mores as well as evolving forces on and off the field reacting to a half century of cultural turmoil shifts in trends and professional attitudes of ballplayers and executives and a complex discerning and diverse audience Baseball is both change and constancy and Roger Angell is the preeminent essayist of that paradox His writing encompasses fondness for the past a sober reckoning of the present and hope for the future of the game *Bottom of the Ninth* John McNally, 2003 Skillfully edited by John McNally *Bottom of the Ninth* Great Contemporary Baseball Short Stories collects nineteen contemporary baseball short stories from a successful mix of well established writers lesser knowns and a few up and comers These stories are characterized by the same dramatic elements that draw people to the sport itself the mythologizing of players the obsessions and romance of the game the bonds between players and fans parents and children From a key play a missed catch a chance lost these are tales of characters facing high stakes and calls to action metaphorically and literally in the bottom of the ninth *Baseball* Mike Shannon, 1992 *A Woman's Work* Dorothy Jane Mills, 2004-03-09 From 1949 until 1990 Dorothy Jane Mills quietly contributed her research and writing to the first baseball histories ever written by a historian The wife of historian Harold Seymour she found herself increasingly involved with his books as the couple presided over mountains of records on the game and worked to prepare his imposing manuscripts for press But she received no official credit It was after Dr Seymour's passing that other researchers learned she was the unattributed co author of much of his work This important memoir reveals details of the author's partnership with baseball's

most revered historian Many new facts regarding Mills role come to light Mills now recognized as the game s first woman historian also explains how her work as a teacher editor novelist children s author and public speaker fit into her baseball work The book contains numerous photographs from the author s personal collection most of them in print for the first time as well as a foreword by Steve Gietschier of The Sporting News

Memories of Summer Roger Kahn,2004-03-01 Acclaimed baseball writer Roger Kahn gives us a memoir of his Brooklyn childhood a recollection of a life in journalism and a record of personal acquaintance with the greatest ballplayers of several eras His father had a passion for the Dodgers his mother s passion was for poetry Somehow young Roger managed to blend both loves in a career that encompassed writing about sports for the New York Herald Tribune Sports Illustrated the Saturday Evening Post Esquire and Time Kahn recalls the great personalities of a golden era Leo Durocher Mickey Mantle Willie Mays Jackie Robinson Red Smith Dick Young and many more and recollects the wittiest lines from forty years in dugouts press boxes and newsrooms Often hilarious always precise about action on the field and off *Memories of Summer* is an enduring classic about how baseball met literature to the benefit of both

Sports Illustrated Great Baseball Writing Editors of Sports Illustrated,2012-10-30 When Sports Illustrated was launched in 1954 baseball was indisputable the national pastime its stars America s epic heroes its rivalries the era s mythology As baseball s fortunes rose and fell over the next 50 years and then rose again to new heights drawing more than 65 million fans to ballparks in 2004 the game never failed to produce great drama and inspired storytelling This collection is a virtual Hall of Fame from the pages of SI bringing together the stories of baseball s greatest heroes Mickey Mantle Ted Williams Sandy Koufax and villains Ty Cobb Pete Rose Denny McLain and characters Casey Stengel Max Patkin Yogi Berra its legendary quests the home run chases of Roger Maris Hank Aaron Mark McGwire and Barry Bonds the thrilling pennant races from the Dodgers Giants in 1951 to the Yankees Red Sox in 1978 its world class writers Frank Deford Mark Kram George Plimpton Peter Gammons and Tom Verducci and its own players writing from the inside about their game Ted Williams Jim Brosnan and Jim Bouton In the wake of SI s acclaimed *Fifty Years of Great Writing* comes this baseball anthology worthy of Cooperstown

[Sports Illustrated The Baseball Vault](#) Sports Illustrated,2024-04-09 Sports Illustrated the most respected voice in sports journalism has covered Major League Baseball for over seven decades documenting its heroes villains great characters and iconic moments A wide ranging portrait of America s pastime this anthology features the best baseball writing from the SI archives by nationally renowned journalists including Frank Deford Mark Kram George Plimpton Peter Gammons and Tom Verducci

Man on Spikes Eliot Asinof,1998 Selected as one of baseball literature s Golden Dozen by Roger Kahn *Man on Spikes* is an uncompromisingly realistic novel about a baseball player who struggles through sixteen years of personal crises and professional ordeals before finally appearing in a major league game In a preface to this new edition Eliot Asinof reveals the longsuffering ballplayer and friend upon which the novel is based

Peterson,2001

Extra Innings tackles the question of how writing about baseball has shaped our understanding and misunderstanding of the national pastime In a series of astute reflections on baseball histories biographies personal reminiscences and fiction Richard Peterson explores the shifting balance of romance and fact in standard baseball histories offers a lively discussion of baseball fiction and assesses the realism of postmodern baseball writing He discusses the influence of Jackie Robinson on the serious baseball novel and the reluctance of baseball fiction to treat race issues realistically He also surveys baseball fleeting appearances in the literary canon and suggests a top nine reading list for the baseball aficionado Slicing away the myths and distortions of baseball s bizarre history Extra Innings

Baseball's First Superstar Alan D. Gaff,2025-05 If there was a first face of baseball it was arguably Christopher Christy Mathewson At the opening of the twentieth century baseball was considered an undignified game played by ruffians for gamblers benefit Mathewson changed all that When he signed with the Giants in 1900 his contract stated he wouldn t pitch on Sundays and he was known for his honesty integrity and good looks In his first fourteen seasons as a pitcher for the Giants Mathewson never won fewer than twenty games in a season and he almost single handedly won the 1905 World Series In 1918 though age thirty eight and exempt from military service he enlisted for World War I where he exposed himself to nearly lethal amounts of mustard gas as he taught soldiers how to put on gas masks When he returned home he was diagnosed with lung problems and tuberculosis which led to his untimely death at the age of forty five After Mathewson s death his eulogies were many but it was impossible to catch the essence of his life in a single newspaper column Jane Mathewson his widow was determined to provide the reading public with a more intimate portrait of her husband and approached prominent sportswriter Bozeman Bulger who had known Mathewson for twenty years Bulger wrote a series of articles titled The Life Story of Christy Mathewson His portraits about the player were amplified by original accounts from Jane and several unpublished chapters from Mathewson himself which had been discovered among his papers These combined accounts allow readers to hear from Mathewson and those who knew him best A superstar long before that term was coined Mathewson became an icon of sportsmanship He was posthumously elected to the Baseball Hall of Fame at its

first induction ceremony in 1936 In Baseball s First Superstar Alan D Gaff brings Mathewson to life through Mathewson s own writings and those of others largely lost to history until now Successful Writing ,1930 **THE WRITER'S MONTHLY** ,1921 **Strange Tools** Alva Noë,2015-09-22 A philosopher makes the case for thinking of works of art as tools for investigating ourselves In *Strange Tools Art and Human Nature* the philosopher and cognitive scientist Alva No argues that our obsession with works of art has gotten in the way of understanding how art works on us For No art isn t a phenomenon in need of an explanation but a mode of research a method of investigating what makes us human a strange tool Art isn t just something to look at or listen to it is a challenge a dare to try to make sense of what it is all about Art aims not for satisfaction but for confrontation intervention and subversion Through diverse and provocative examples from the history of art making No reveals the transformative power of artistic production By staging a dance choreographers cast light on the way bodily movement organizes us Painting goes beyond depiction and representation to call into question the role of pictures in our lives Accordingly we cannot reduce art to some natural aesthetic sense or trigger recent efforts to frame questions of art in terms of neurobiology and evolutionary theory alone are doomed to fail By engaging with art we are able to study ourselves in profoundly novel ways In fact art and philosophy have much more in common than we might think Reframing the conversation around artists and their craft *Strange Tools* is a daring and stimulating intervention in contemporary thought Praise for *Strange Tools* With incisive arguments and in crisp and engaging prose *Strange Tools* brings the discourse on the function of art and beauty to a different level Science A stimulating and wide ranging investigation of the meaning of art A searching and learned response to vexing long debated questions Kirkus Reviews No offers a unique analysis on the role of art and also philosophy in our lives Readers with an interest in philosophy aesthetics or art will find this an accessible and engaging read Library Journal *The National Game* Alfred Henry Spink,2000 Spink provides a history of baseball before 1910 position by position biographies of former players and of every major league player of that era sketches of managers magnates journalists and umpires the lineup of every championship team from 1871 to 1910 World Series Back cover McGraw-Hill's Conquering ACT English Reading and Writing, 2nd Edition Steven Dulan,2011-08-26 Excel on the ACT s English reading and writing sections and get top scores on the exam If you re struggling with ACT English reading or writing you can rest easy the revised and updated edition of McGraw Hill s *Conquering ACT English Reading and Writing* is here Written by an expert ACT instructor this book offers intensive review for all of the verbal question types on the ACT as well as for the ACT Writing Test The book covers basic reading writing and grammar usage skills accompanied by numerous examples You ll also get to practice with intensive ACT style drills and full length sample test sections And for more help go to MHPpracticePlus com for additional ACT practice and test information Getting and Writing News Dix Harwood,1927 This work is meant for anyone having relations with newspaper who wishes to know something of their methods of getting and writing news
