Spirit Bride:

The Spirit and the Bride Say, Come. Susan Gutknecht, 2015-03-02 Blessed are those who are invited to the wedding supper of the Lamb Revelation 19 9 What is the end of the age What is the wedding supper Are you prepared Like us the apostles asked those very questions In the Bible the wedding supper refers to what will happen at the end of the age Jesus answered by telling the apostles the parable of the ten virgins a reference to those on earth who know about the end of days He advised the apostles that only half of those who know the end is coming will be prepared only half of those who know about the end of days will have enough oil to keep their lamps burning through the long night of waiting The other half will be at the market looking for oil and will miss the coming of Jesus That would mean half of the people who know that Jesus is coming back are not prepared for his return We need to gather oil for our lamps throughout our lives through prayer through reading the Bible The Holy Spirit was sent to prepare us for the wedding supper Does God still perform miracles or speak to His people At the age of four I clearly heard the voice of the Holy Spirit say to me You can have joy in your life if you walk with me This is a personal testimony of how the Lord heals the ones He loves walks with us and surrounds us with His peace

Stockard,1992-03-01 This book describes an extraordinary traditional marriage system delayed transfer marriage that is virtually unknown in the ethnographic literature on Chinese Society though it was widely established in the Canton Delta In striking contrast to the orthodox Confucian form of marriage brides in delayed transfer marriages were required to separate from their husband shortly after marriage and return to live with their parents for at least three more years During this customary period of separation brides were expected to visit their husband on several festival occasions each year Ideally brides became pregnant about three years after marriage and then settled in the husband s home The area in which delayed transfer marriage was the customary and dominant form of marriage encompassed the rich silk producing district of the Canton Delta as well as adjacent rice producing areas The book analyzes the effect of economic change on the practice of delayed transfer marriage in the silk district
