A Spirit Walker's Guide to Shamanic Tools Evelyn C. Rysdyk,2014-07-01 Build Your Own Shamanic Toolkit In this beautifully illustrated guide artist and shamanic teacher Evelyn C Rysdyk shows you how to create decorate consecrate and use various sacred tools in ritual and healing Navaho traditional healers bring rattles corn pollen eagle feathers and sage smoke together with songs and dances to affect healing Ulchi shamans use drums rattles and larch tree wands called gimsacha to work healing magic Manchu shamans will perfume the air with incense and tie on a heavy bustle of iron jingles as a part of their ceremonial costume Modern shamanic practitioners likewise use sacred tools to facilitate our connection to helper spirits in the Upper Middle and Lower Worlds as well as the spirits of nature While you can purchase many of these tools there s nothing quite as powerful as making your own You ll find instructions for making rattles drums masks mirrors spirit figures fans bells pouches wands prayer bundles flutes whistles and more Plus suggestions for responsible ways to obtain the materials you ll need Having an intimate connection to all the spirits that came together in my favorite rattle knowing that the tiny pebbles came from the local riverbank the wood handle from a lightning struck maple in my yard and the rawhide from a black bear that was hunted by a native friend for food gives it a far deeper meaning and power from the introduction The author s original artwork and photographs of shamans and their authentic tools appear throughout the book

I was living on the flank of an active volcano on the island of Hawaii I'm a scientist I mention this because I do not feel that I was in any way predisposed for what was about to occur In fact my scientific training would seem to have preprogrammed me against such an experience From Spiritwalker The astonishing true story of an anthropologist's quest into a spiritual world of magic mysticism and meaning Not since Castaneda's tutelage under the Yacqui Indian guide Don Juan has there been a spiritual autobiography quite like Spiritwalker Hank Wesselman's incredible story of a series of encounters that would forever change his life began with what he at first tried to explain away as particularly vivid dreams but which grew increasingly intense and insistent ultimately propelling him on twelve fantastic journeys across time and space Over the next three years his journeys proved to be far more important than mere reason could explain Eventually Dr Wesselman became convinced that he'd been granted a visionary encounter with what tribal people from millennia past have called the spirit world During his epic travels Dr Wesselman met shape shifting entities spirit helpers and guardians and found himself traversing a mental physical and spiritual landscape on a path intersecting that of a fellow traveler a Hawaiian kahuna mystic named Nainoa Five thousand years into the future Nainoa had been sent by his Chief on a journey into what used to be America a once powerful land of machines and magic from which no previous voyagers had ever returned What did Nainoa seek from Dr Wesselman What did the anthropologist have to learn about his own world from this exotic traveler from another time and place Together scientist and mystic are initiated into knowledge of non ordinary levels of reality and given foreshadowings of imminent environmental political and spiritual challenges to their civilization Without abandoning his scientific objectivity Dr Wesselman abandoned himself to the mystical sometimes frightening yet always luminous experiences that brought him beyond the boundaries of ordinary consciousness The result is a fascinating and suspenseful adventure an exciting and important archeological discovery and the story of how a hard headed scientific realist stumbled on an important piece of the puzzle of human evolution Socially urgent and disturbingly prophetic Spiritwalker has a universal mythic resonance and an undeniable relevance for today as it challenges our perceptions of our world our reality and our future
