## **Spiritism In Primitive Religion:**

**Spiritism in Primitive Religion** Lewis Bayles Paton, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *Spiritism and the Cult of the Dead in Antiquity* Lewis Bayles Paton, 1921 *Spiritism and the Cult of the Dead in Antiquity* by Lewis Bayles Paton first published in 1921 is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long-out-of-print manuscripts back to life. Some smudges, annotations, or unclear text may still exist due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it. [Spiritism and the Cult of the Dead in Antiquity](#) Lewis Bayles Paton, 2014-09-16 THIS is a sound, useful, instructive, and interesting book, made in a thoroughly workmanlike manner by the practiced hand of a competent as well as careful scholar. The making of a good book has to be learned by practice of the art, and Professor Paton has practiced long enough and well enough to know and to do. But even if the work were less well done, it would still be worth the reader's while, for its subject is of unending interest to every thoughtful human being. Normally constituted men long for a life after the great dissolution of death, and seek by religious faith, by psychic research, or even by means either wholly or partly subversive of reason, to confirm the deathless hope. A single death in a family renews the wonder, the questioning, or the faith of those who are left behind, and the numerous deaths in any community through shipwreck or a mine explosion set the whole vicinity again upon the scent for the trail of life after death. A great war which brings death to youth, not seldom sets whole peoples agog with a new desire to know that these who have passed away before their time are still alive, though breath has left the body. In such times there is always a recrudescence of spiritism, commonly but erroneously called spiritualism. To tell the story of spiritism in antiquity and to explain its meaning and significance is the purpose of this book; it is a most useful purpose, for it is folly for us now to ignore what our forebears or predecessors have done, or what other peoples, however strange, may have thought. Those of us who have a deep concern to understand the Bible dare not ignore the problem, and he who has intelligence about it to offer may well challenge our attention. For any who may be seeking light upon the history of present ideas or hopes, it may be well to indicate the scope of this book by setting down the chapter titles, and here they are: I Spiritism in Primitive Religion II Spiritism in China III Spiritism Among the Indo-Europeans IV The Cult of the Dead Among the Indo-Europeans V Spiritism in Egypt VI Spiritism Among the Early Semites VII Spiritism in Babylonia and Assyria VIII Earliest Hebrew Conception of the Dead IX Babylonian Influence on Hebrew Conceptions of the Dead X Worship of the Dead by Israel XI Early Opposition to the

Worship of the Dead by Israel XII Prophetic and Legal Denial of the Vitality of Spirits XIII New Theories of Immortality in Post Exilic Judaism XIV The Teaching of Jesus in Regard to Immortality and then there follows a serviceable index This list of chapters shows how comprehensive is the book and at the same time declares plainly that no one scholar however learned would be able to know all these languages and literatures at first hand nor does Professor Paton make any such claim Indeed he states explicitly his limitations saying In the fields of Semitic religion and of the religions of Israel Greece and Rome the author has been able to work at first hand from the sources in the cases of the religions of China India and Egypt and some of the Indo European races he has been obliged to depend upon the researches of others p viii In judging the book as a whole I have to say that in so far as I can claim any real right to speak it is fully satisfactory and deserves full commendation The only chapters that I can test at first hand are those relating to Egypt and the Semites As was to be expected these are sound and thorough I do not think that they are everywhere equal nor could that be expected of any writer It could I think be bettered as I have tried to do in my Cuneiform Parallels pp 52 53 I may also say that in the chapter on Egypt I have considerable doubt about some of the judgments based upon the conclusions of even so excellent a scholar as Breasted These are however spots on the sun and I commend the book gladly and heartily Drew Theological Seminary Robert W Rogers

**Primitive Religion and Healing** Paul V. A. Williams, 1979 This is a firsthand account of the popular religion of Candomble and its adepts the Currandeiros The book provides details of herbs rituals spells prayers and amulets *The Religion of Spiritualism, Its Phenomena and Philosophy* Samuel Watson, 1881

**The Religion of Spiritualism** Samuel Watson, 1884

**Spirits and Animism in Contemporary Japan** Fabio Rambelli, 2019-05-23 This book draws attention to a striking aspect of contemporary Japanese culture the prevalence of discussions and representations of spirits tama or tamashii Ancestor cults have played a central role in Japanese culture and religion for many centuries in recent decades however other phenomena have expanded and diversified the realm of Japanese animism For example many manga anime TV shows literature and art works deal with spirits ghosts or with an invisible dimension of reality International contributors ask to what extent these are cultural forms created by the media for consumption rather than manifestations of traditional ancestral spirituality in their adaptations to contemporary society *Spirits and Animism in Contemporary Japan* considers the modes of representations and the possible cultural meanings of spirits as well as the metaphysical implications of contemporary Japanese ideas about spirits The chapters offer analyses of specific cases of animistic attitudes in which the presence of spirits and spiritual forces is alleged and attempt to trace cultural genealogies of those attitudes In particular they present various modes of representation of spirits in contemporary art architecture visual culture cinema literature diffuse spirituality while at the same time addressing their underlying intellectual and religious assumptions

**The Ashgate Research Companion to Nineteenth-Century Spiritualism and the Occult** Tatiana Kontou, 2016-03-23 Critical attention to the Victorian supernatural has flourished over the last twenty five years Whether it is spiritualism or Theosophy mesmerism or the occult

the dozens of book length studies and hundreds of articles that have appeared recently reflect the avid scholarly discussion of Victorian mystical practices Designed both for those new to the field and for experts this volume is organized into sections covering the relationship between Victorian spiritualism and science the occult and politics and the culture of mystical practices The Ashgate Research Companion to Nineteenth Century Spiritualism and the Occult brings together some of the most prominent scholars working in the field to introduce current approaches to the study of nineteenth century mysticism and to define new areas for research

**The Year-book of Spiritualism for 1871** Hudson Tuttle, James M. Preebles, 1871  
**The Religion and Philosophy of the Veda and Upanishads** Arthur Berriedale Keith, 1925 **The Philosophy of Religion** George Trumbull Ladd, 1905 **The Philosophy of Religion on the Basis of Its History: The historical development of the religious consciousness ; The contents of the religious consciousness (opening chapters)** Otto Pflleiderer, 1888 The Philosophy of Religion on the Basis of Its History Otto Pflleiderer, 1888 The Truth about Spiritualism William Samuel Sadler, 1923 **Mesmerism, spiritualism, &c., historically & scientifically considered, 2 lectures** William Benjamin Carpenter, 1877 **Journal of the American Society for Psychical Research** American Society for Psychical Research, 1921 List of members in v 1 6 12 **The Handbook of Contemporary Animism** Graham Harvey, 2014-09-11 The Handbook of Contemporary Animism brings together an international team of scholars to examine the full range of animist worldviews and practices The volume opens with an examination of recent approaches to animism This is followed by evaluations of ethnographic cognitive literary performative and material culture approaches as well as advances in activist and indigenous thinking about animism This handbook will be invaluable to students and scholars of Religion Sociology and Anthropology Genetic-speculative philosophy of religion. 2 v Otto Pflleiderer, 1888 The Principles of Religious Development George Galloway, 1909 **A comparison of all religions** James Freeman Clarke, 1883
