The most powerful weapons for restoring your soul to happiness. The keys to opening yourself to the gifts of the Holy Spirit. **Spiritual Excellence** Alban Goodier, 2002 *Spiritual Excellence* could be the most important book you read this year or any year. It's Archbishop Alban Goodier's compendium of practical and pastoral guidance on how to move beyond the beginner's stage of spirituality into deeper, more fruitful prayer and more thoroughgoing, consistent acts of charity. In these pages, the beloved author of *The Meaning of Life*, *The Catholic Answer*, teaches you how to speak to God from your heart, not just from your lips, and how to deal better with the many troubles that keep you from turning completely to Christ as your truest, dearest friend. He shows you how to eliminate common hindrances to fruitful prayer and meditation, learn from all your sorrows and falls, and perfect your love for God and for His creatures. With remarkable insight, Archbishop Goodier maps the unique temptations that befall people like you who are especially devoted to God, and he explains the most efficacious ways of using your particular temptations to grow closer to Christ. Soon, you'll find yourself developing a faith that's wise and mature, a faith that's attractive to others and that can endure the most furious trials. Start this book today. Let it be for you the first bold step you take toward that which we all seek: spiritual excellence. **Uncommon Virtue** Fr. Raoul Plus, 2022-03-22 Fr. Raoul Plus, one of the most popular Catholic authors of the twentieth century, explains how the practice of everyday virtues—gratitude, moderation, patience in suffering, pity for the afflicted—making good use of time is essential to producing supernatural benefits. Filled with inspiring real-world examples of heroic men and women throughout history, this book teaches you how to develop the essential habits you need to become a saint in these times. You'll learn how to develop an attitude of gratitude like the saints in Heaven and how to cultivate a

spiritual life that will make you more productive Through these true stories of valor you will pick up the necessary wisdom to work out your salvation through the grace of the sacraments in accordance with your state in life This commonsense approach to Catholic spirituality will help you become the saint you are meant to be Although some souls are chosen to manifest heroism Fr Plus poses the question In our times should not all souls be chosen souls or become such This book will show you how to help authentically transform the world whether in sickness or in health Every Christian can be a redeemer a savior a repairer with Christ In fact reflects Fr Plus they must be He ll also show you the benefits of Thanking God for growth in adoring love and for opening your heart to increased blessings Cultivating interior silence and fostering receptivity to the gift of contemplation Forfeiting time in order to reflect and focus on what is most important Avoiding cowardice boldly living the gospel and enduring persecution Offering up daily trials for our country learning to overcome fear and making sacrifices with joy Making reparation to the Eucharistic Heart of Jesus who is often forgotten and unloved *Spiritual Excellence* Reverend William Landels, *Spiritual Excellence* Jesse Owen Allen (Iii),1991 Included are eight principles of spiritual excellence seven guidelines for spiritual quality and a personal plan for spiritual growth These planning techniques can be used by both individuals and groups for spiritual reempowerment and spiritual reenfranchising *Excellence of Soul* J.
