Religious Seekers and "finding a Spiritual Home" Thomas Kingsley Brown,2000 **Spirituality and Meaning Making in Chronic Illness** Kelly Arora,2020-02-21 Many spiritual caregivers including chaplains spiritual directors and clergy are unaware of how they can support people with chronic health conditions This book combines insights on chronic illness with spiritual care skills and suggestions to enhance well being for people living with long term illness Using a narrative approach the author reflects on the stories of two women Dorothy from The Wizard of Oz who travels from Kansas a state of health to Oz an illness experience alongside the author s personal experiences of managing an incurable autoimmune disease Chapters will include guidelines and exercises that help equip caregivers to facilitate healing with people who live with long term health conditions The Living Politics of Self-Help Movements in East Asia Tom Cliff,Tessa Morris-Suzuki,Shuge Wei,2017-12-04 This collection elucidates the complexity of living politics in the 21st century considering how self help groups draw on shared regional traditions and how they adapt their actions to the diverse formal political environments in which they operate It considers the nexus between ideas and action in a world where the conventional right left divide has a decreasing hold on the political imagination Examining grassroots self help actions as responses to everyday life problems it argues that whilst action may be initiated by encounters with ideas that come into the community from outside often the flow of cause and effect works in the opposite direction Focusing on countries both politically dynamic and with long standing historical and cultural connections China including Inner Mongolia Japan Taiwan and Korea this book fills a significant gap in the literature on social movements demonstrating that survival itself is a political act **Awakening the Soul** John C. Morgan,2015-09-29 This devotional book is intended as a spiritual resource for nurturing your soul What is truly personal is also truly universal Where you touch the Holy it reaches to touch you and your life will be transformed If enough of us begin with our own spiritual disciplines a whole community may be transformed or a neighborhood or city or nation from the Preface In the first daily devotional guide for Unitarian Universalists since the nineteenth century Day Unto Day American Unitarian Association John Morgan has discerningly compiled a unique collection of 365 devotions on prayer forgiveness suffering compassion social justice Unitarian Universalist heritage and many other topics Mirroring the pluralism in our congregations the contributions to this book come from many roots Christian Buddhist mystic Jewish pagan humanist and agnostic Marx and We Sun Zhengyu,2024-08-01 Marxist ideology is the only fully scientific ideology the only one able to guide mankind toward the settlement of fundamental social problems and to point out the royal road for the proletariat to take in its march toward socialism and communism Without Marxism modern people cannot establish true social ideals nor can they engage in the rational pursuit of values Without Marxism modern people cannot choose the correct path of development nor can they build up new forms of civilizations Without Marxism modern people would never base their commitments to schedule the consensus building effort and support the consensus building
