Bush,2019-07-01 Randall B Bush analyzes the ways unacknowledged axiological assumptions e g about what is important why human beings are valuing creatures and where the capacity to value comes from prejudice the perspectives and approaches of various academic disciplines especially in the social sciences and the humanities The disciplines of ethics and aesthetics provide the most useful tools for a philosophy of value but academic overspecialization has compartmentalized and segregated these disciplines from others threatening to unravel the unity of conceptions of the moral and the beautiful in human existence Bush argues that a dialectical approach to conflicts between ethics and aesthetics can point to a broader axiological vision informed by a Trinitarian conception of reality in which the whole a coherent theory of value is more than the sum of its parts Spiritual Seduction Gloria M. Milow,2008 **The Guardians Of God** Schenell Boyd,2017-04-24 The world as we know it is changing In a time where chaos has become common the world is searching for answers Today I came to release the answer I came to prophesy that God is raising up an army of people that are about to become the answer to the world s

Gracefully Broken Wonderfully Restored: Overcoming Spiritual Seduction Chinnita Morris,2019-01-04 Imagine living more blessed than you had sense enough to dream only to get a revelation eight years later that your living is in vain because it s not for God s glory So you act upon this revelation and surrender to God forsaking the things of the world to live a life committed to Christ And although there have been many struggles and disappointments you have never regretted your decision to live for God and you re fully committed and loving your walk with Jesus Nothing makes you feel better than knowing you are walking according to His will Then all of a sudden you find yourself in a world of sin sin that you never had a desire for and don t have a clue as to how you got there And now you re in the fight of your life to overcome because regardless of your newfound weakness your heart belongs to God and your greatest desire is still to live a life pleasing to Him This is a true story of Chinnita Morris walk with Christ gone awry and her relentless passion and fight to overcome the tactics of her worst enemy the devil Little did she know that what the enemy tried to use to destroy her God would use to raise a much more spiritually mature woman who would be bold enough to share her testimony to help many who may be in the same or similar situations and to warn others about seducing spirits *Spiritual Seduction* Gloria M.
