

A man in a dark blue suit is walking away from the viewer on a vibrant, multi-colored path that resembles a rainbow. The path leads towards a futuristic, ethereal landscape with glowing structures and a sky filled with planets, stars, and nebulae. The overall scene is surreal and inspirational, suggesting a journey towards higher knowledge or potential.

**Archetypes** Caroline Myss, PhD, 2013-01-08 Have you ever wondered why you are drawn to certain people ideas or products and turned off by others Are you constantly searching for something you can t put your finger on or wondering whether you are living a life that truly fits In *Archetypes* New York Times bestselling author Caroline Myss delves into the world of archetypes which have been the subject of her work for more than 25 years Archetypes are universal patterns of behavior that once discovered help you better understand yourself and your place in the world In short knowing your archetypes can transform your life Whether we re aware of it or not each of us identifies with certain universal myths and symbols otherwise known as Archetypes In this new work Myss covers ten primary archetypes Caregiver Artist Fashionista Intellectual Rebel Queen Executive Advocate Visionary Athlete and Spiritual Seeker She helps us to determine which archetypes best define us as individuals laying out each archetype s unique path hidden strengths and potential weaknesses By identifying our personal archetypes we can gain the knowledge necessary to consciously define and live an authentic life that reflects who we really are Myss also includes suggestions for embracing one s archetype to the fullest providing tools for avoiding common pitfalls and daily practices for enhancing the positive qualities of each archetype In addition to the ten archetypes above there s a glossary covering more than 20 sub archetypes Much like highly popular books on the enneagram Myers Briggs and astrology which also allow people to type themselves *Archetypes* is

destined to become a classic Spirituality and Ethics in Management Laszlo Zsolnai, 2011-04-20 The book which was originally published by Kluwer in 2004 is a collection of scholarly papers focusing on the role of spirituality and ethics in renewing the contemporary management praxis The basic argument is that a more inclusive holistic and peaceful approach to management is needed if business and political leaders are to uplift the environmentally degrading and socially disintegrating world of our age The book uses diverse value perspectives Hindu Catholic Buddhist and Humanist and a variety of disciplines philosophy ethics management studies psychology and organizational sciences to extend traditional reflections on corporate purpose and focuses on a self referential organizational existential search for meaning identity and success

*The Full Moons: Topical Letters In Esoteric Astrology* Malvin Artley, 2014-06-12 The Full Moons is an exploration of the Sun the Moon the Truth and their interrelation and it is the culmination of over ten years of letters the author has written on esoteric astrology A compendium of topics in esoteric astrology it explores the emerging universal spirituality gradually unfolding through the current decades as seen from the perspective of topical world events even though the principles investigated therein are timeless The twelve astrological signs each give a unique insight into various aspects of spirituality and each one has its own story to tell on the great evolutionary path of the soul Because the soul is so dear to us even though the subject matter of the book is esoteric in its presentation there is something in its pages for everyone whether or not you have an astrological background Ultimately this book can be used as reference material for the times of the full moon each month and for specified times in between The book is extensively indexed for ease of reference and it contains abundant reference material in the appendices along with a glossary of esoteric terminology

**Spirituality and Ethics in Management** László Zsolnai, 2005-12-30 The significance of spirituality in management is acquiring considerable international recognition It is one of the hottest emerging fields in management A number of recent events underscore this development In February 2000 the Indian Institute of Management organized a Corporate Reputation for Competitive Advantage workshop in Calcutta which focused on spirituality ethics and leadership The conference Business Religion and Spirituality was held at the University of Notre Dame in April 2000 In April 2001 the International Academy of Business Disciplines held its 13 annual meeting in Orlando Florida and had a track on Spirituality in Organizations In April 2002 a world conference was organized in New York entitled Spirit in Business Ethics Mindfulness and the Bottom Line These and other important scientific events clearly show that spirituality is no longer considered to be purely a matter of individual search and is becoming more and more recognized in management and business ethics circles Our Spirituality in Management workshop was held in July 13 2001 in Szeged Hungary It was jointly organized by the Business Ethics Center of the Budapest University of Economic Sciences the Faculty of Economics and Business Administration and the Department for the Study of Religion of the University of Szeged Scholars and practitioners from 13 countries represented disciplines as diverse as economics business management studies philosophy theology sociology and medical anthropology Participants
