Dill,2012-07-01 **Last Among Equals** Roger Bell,2019-03-31 Last Among Equals is the first detailed account of Hawaii's quest for statehood It is a story of struggle and accommodation of how Hawaii was gradually absorbed into the political economic and ideological structures of American life It also recounts the complex process that came into play when the states of the Union were confronted with the difficulty of granting admission to a non contiguous territory with an overwhelmingly non Caucasian population More than any previous study of modern Hawaii this book explains why Hawaii's legitimate claims to equality and autonomy as a state were frustrated for more than half a century Last Among Equals is sure to remain a standard reference for modern Hawaiian and American political historians As important it will require a reevaluation of two commonly held myths that of racial harmony in Hawaii and that of automatic equality under the Constitution of the United States *Statehood for Hawaii.
