David F. Bright

Stattus Silvae:

Stattus: Silvae Book II Stattus,2011-02-17 With the exception of a poem on the unscripted death of a lion in the Colosseum Book II of Stattus Silvae is largely domestic in theme It reflects the more private side of Roman culture its pleasures houses gardens friendships and personal losses it concludes with a provocative tribute to the poet Lucan Despite its variety the book is carefully constructed as a unit and this edition which is suitable for use with advanced students puts the book into its context in the history of Greek and Roman poetry The commentary takes into account the important work done on the text of the Silvae in the past two decades as well as the new perspectives brought to bear on Flavian culture by historians and archaeologists It explores Stattus use of the short poem as a playful engagement with literary tradition that also reflects changing ideas of Roman cultural identity *Stattus' Silvae and the Poetics of Empire* Carole E.

Newlands,2002-03-14 Stattus Silvae written late in the reign of Domitian AD 81 96 are a new kind of poetry that confronts the challenge of imperial majesty or private wealth by new poetic strategies and forms As poems of praise they delight in poetic excess whether they honour the emperor or the poet s friends Yet extravagant speech is also capacious speech It functions as a strategy for conveying the wealth and grandeur of villas statues and precious works of art as well as the complex emotions aroused by the material and political culture of empire The Silvae are the product of a divided self fashioning voice Stattus was born in Naples of non aristocratic parents His position as outsider to the culture he celebrates gives him a unique perspective on it The Silvae are poems of anxiety as well as praise expressive of the tensions within the later period of Domitian s reign **The Poetic World of Stattus' Silvae** Michael Putnam,PROF MICHAEL. PUTNAM,2023 In the essays of this volume Michael Putnam shows how seriously Stattus pays homage to his canonical predecessor Virgil how thoroughly he interprets the complexities of Virgilian poetry and how he often by placing a Virgilian reference in a different social and cultural context boldly turns Virgil to new and more positive purposes He focuses particularly though not exclusively on those Silvae which deal with the architectural world of Stattus society the private villas the gardens and the imperial palace He also writes of the Roman equivalent of the Grand Tour a young man s educational journey through the monuments of Egypt Greece and Asia Minor The essays offer valuable insight into the cultural and social identity of late first century imperial Rome Stattus reverential but also heuristic engagement with Virgil emerges more distinctly across the interrelated essays Putnam s collected essays display the pioneering nature of Stattus Silvae in the development of ecphrasis as an important social and literary mode in Roman poetry *P. Papinius Stattus, Silvae Book II* Harm-Jan Van Dam,1984 Includes Latin text of Silvae book II *The Silvae of Stattus (1908)* Professor Publius Papinius Stattus,2014-08-07 This Is A New Release Of The Original 1908 Edition **The Silvae of Stattus** Publius Papinius Stattus,2004 Written during the 1st century AD Stattus Silvae praises or pays tribute to a number of individuals most notably the emperor Domitian whom Stattus refers to as a living god *The Silvae of Stattus* Publius Papinius Stattus,David Ansell Slater,1908 **Silvae 5**

Publius Papinius Statius,2006 **The Silvae of Statius** Stephen Thomas Newmyer,1979-01-01 No detailed description available for The Silvae of Statius **Vertis in Usum** Edward Courtney,2002 Die Beitr ge zur Altertumskunde enthalten Monographien Sammelb nde Editionen bersetzungen und Kommentare zu Themen aus den Bereichen Klassische Mittel und Neulateinische Philologie Alte Geschichte Arch ologie Antike Philosophie sowie Nachwirken der Antike bis in die Neuzeit Dadurch leistet die Reihe einen umfassenden Beitrag zur Erschlie ung klassischer Literatur und zur Forschung im gesamten Gebiet der Altertumswissenschaften Silvae Publius Papinius Statius,2003 Greek literary education and Roman political reality are evident in the poetry of Statius c 50 e96 CE His Silvae are thirty two occasional poems His masterpiece the epic Thebaid recounts the struggle for kingship between the two sons of Oedipus The extant portion of his Achilleid begins an account of Achilles e tm life and renews epic Statius' 'Silvae' in the 15th century Michael D. Reeve, *Nothing Ordinary Here* Noelle K. Zeiner,Noelle K. Zeiner-Carmichael,2005 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company **Statius Silvae --** P. Papinius Statius,Stephen Newmyer,1987 *Statius and the Silvae* Alex Hardie,1983 Although writing in Latin Statius first century AD was by origin and training a Greek poet and his collection of occasional poems the Silvae are a Roman extension of contemporary trends in Greek display poetry No reading of the Silvae can be accurate without an understanding of this Graeco Roman poetic milieu This book therefore begins with a reconstruction of the professional background to the Silvae the festival circuit the conditions of work for writers their opportunities for advancement in the Greek and Roman worlds both in the Hellenistic period and in the first century A D In this setting display oratory and poetry are shown to have developed in parallel and to have had a profound mutual influence Further chapters consider Statius performances as a Neapolitan poet at Rome his portrayal of his own society and his friends and his attitudes to his Latin predecessors Literary patronage both imperial and private is a vital element in Statius poetic career and Hardie goes on to investigate the identity and social standing of the addressees of the Silvae He also considers the career of the contemporary epigrammatist Martial in comparison to that of Statius Many essential features of Flavian taste emerge from these studies Large scale interpretations of individual poems are offered throughout this volume making many new suggestions about both points of detail and the overall significance of the major poems in the Silvae Statius and the Silvae is an important contribution to the debate on the relationship between poetry and rhetoric and to the understanding of how society and literature interconnected in the Flavian age Notes on the Silvae of Statius William Augustus Merrill,1918 *Elaborate Disarray, the Nature of Statius' Silvae* David F. Bright,1980 *The Silvae of Statius* Publius Papinius Statius,2015-09-01 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public
