The Fifth Commandment Eve Gaal, 2022-02-17 After Christina breaks the Fifth Commandment strange things begin to happen and take her away from home in Normal Illinois. Now she's back and has to tell them the story within a story but how can she make them believe. So she had made a mistake but didn't all teenagers do the same thing. The Fifth Commandment is a supernatural memoir entwined with a plot drenching with old-fashioned religious guilt and short enough to finish in a single sitting perhaps lounging by the pool or sitting in the garden. The novella follows Christina into a confessional and starts at what we would consider our weakest point. The point when we first admit our sin.
