ranger was simply to be handed a badge a rifle some ammunition a crosscut saw and paper to write reports on as your told Go to it and good luck According to Guthrie the book is about more than the heroics and adventures of these brave and forthright men It is also a love story of several kinds It is of course about Liebig and Herrig s love of their adopted country of a good challenge of the wilderness and of the Forest Service they served But ultimately it portrays their love of the women they chose to share their lives in this wild place and the love of the children to whom they passed on their hard won knowledge of and abiding affection for the wilds of Glacier country Their legacy lives on in their families in the park s protected wild lands and in the ethos of today s forest and park rangers
