

Family

Families come in lots of different forms and sizes

Time to Talk (and listen!)

It's important that we have the chance to talk about how we feel about things that are happening

We should encourage the people around us to talk about what's going on in their lives and how they're feeling about it. We should also listen to what they have to say.

Sometimes, we can come up with a plan together that may help with things that are causing us to worry.
