Family Bible Studies Eric C. Dohrmann, 2014-12-30 With so much demand on our time in and outside the home and with all the different schedules and things to do each day when do I find time to read the Bible for my daily spiritual nourishment and direction And just as important when do we find time for family Bible study Now the help so needed is here and nourishes and fills both of these necessary desires at the same time The Family Bible Study series is designed to help accomplish both these goals together in the same study in a good time efficient manner In Book One of the series Family Bible Studies you will discover the biblical foundation for the family the rock bottom structure design and groundbreaking steps forward toward building a strong stable family All this is done by reading the Bible and discussing it together Here is what you will see the Trinity as the model for growing families on Earth God s strong design for the family still stands His guidelines in the Bible help each of us grow together a Bible study of eight characteristics of God as a beginning model for individual and family development an inspirational ending on the fulfillment of the greatest commandment This is first book of the Family Bible Studies series The second will center on relationships and the levels that exist Time studying and applying God s Word brings great rewards both now and in the days to come Is 55 8 11 *Family Bible Studies* Eric C. Dohrmann, 2014-12-30 Uses the trinity as the model for growing families on earth Principally serves as a list of Biblical verses and discusses the definitions of the parts of the family Making God Part of Your Family Michael Grady, 2023-03-21 Making God Part of Your Family Volume 3 strives to bring God s plan to life for individuals and their families as He chose to reveal these truths through the stories in the Old Testament Most would agree that the Old Testament stories can be difficult to relate to and understand Veteran Bible teacher Michael Grady retells the Old Testament stories in concise thought provoking doses that are easy to understand and intended to stimulate family discussions He demonstrates that the Old Testament stories are much more than just a history of the Israelites God s chosen family they are parables detailing God s guide to living and his eternal plan for redemption and salvation for all who choose to believe The stories in Making God Part of Your Family Volume 3 provide a unique combination they are both simple enough for children to understand and deep enough for parents to grow in the knowledge and wisdom of God s Word This vibrant yet carefully researched volume brings families closer together and helps them clearly establish their identity as children of God and brothers and sisters of Jesus
