*Trials & Tribulations* Iowan Tribal, 2007-08-01 111 Poems Proses 10 Chapters 1 Writer **Angry Kids** Dr. Richard L. Berry, 2001-07-01 During the past several years violence by children has dominated the media exposing this issue as one of the new epidemics of our society The slaughter of children by children at Littleton and the backlash of similar incidents have opened our eyes to the severity of this problem But what is the cause of all this anger in kids In *Angry Kids* Richard Berry draws from his experience as a marriage and family therapist to provide some answers about angry kids to parents teachers youth workers counselors and school social workers His biblical perspective challenges parents and children to be accountable for their actions while working out solutions Well written timely and practical *Angry Kids* exposes three root causes of anger in children of all ages It also explains how parents can inadvertently contribute to that rage how they can help their children discover the real feelings behind their anger and how to then teach them techniques for expressing and defusing that anger Charts specific examples and practical application further clarify how to stop the spreading epidemic of angry kids **Adult Sibling Relationships** Geoffrey L. Greif, Michael E. Woolley, 2015-12-08 The bond siblings develop in

childhood may be vastly different from the relationship that evolves in adulthood Driven by affection but also characterized by ambivalence and ambiguity adult sibling relationships can become hurtful uncertain competitive or exhausting though the undercurrents of love and loyalty remain An approach that recognizes the positive aspects of the changing sibling relationship as well as those that need improvement can restore healthy ties and rebuild family closeness With in depth case studies of more than 260 siblings over the age of forty and interviews with experts on mental health and family interaction this book offers vital direction for traversing the emotional terrain of adult sibling relations It pursues a richer understanding of ambivalence a normal though little explored feeling among siblings and how ambiguity about the past or present can lead to miscommunication and estrangement For both professionals and general readers this book clarifies the most confounding elements of sibling relationships and provides specific suggestions for realizing new productive avenues of friendship in middle and later life skills that are particularly important for siblings who must cooperate to care for aging parents or give immediate emotional or financial support to other siblings or family members

**Adoption Reimagined** Ricky Andries Tan, 2025-11-06 For centuries Christian theology has inherited interpretations that miss the pulse of the apostolic witness Among the most misunderstood is Pauline huiothes a commonly translated as adoption In this bold and provocative work the author challenges that rendering unveiling instead a vision of mature sonship huio ship rooted in Pauline spirituality existential authenticity and pneumatic transformation Drawing on biblical exegesis historical theology and existential thought this book journeys from the shadows of inherited tradition to the reality of the text itself It is not merely a correction of language but a call to recover the divine logic of salvation For theologians biblical scholars and seekers of truth this is more than a scholarly intervention it is a challenge to inherited theology
