The Fine Line

The Fine Line:

The Fine Line Eviatar Zerubavel,1993-10 Eviatar Zerubavel argues that most of the distinctions we make in our daily lives and in our culture are social constructs He questions the notion that a clear line can be drawn to separate one time or object or concept from another and presents witty and provocative counterexamples in defense of ambiguity and anomaly

The Fine Line Emily Chesshire Thompson,2013-02-20 Maggie expected what anyone would expect the moment she stepped into an all male Mexican prison filth crude stares unmentionable hollers evil of every kind Instead she finds her heart captured by a world where time expands moments into hours where hope somehow lives among the hopeless in a world where she cant help but see through harsh exteriors and into souls Compelled by her faith Maggie crosses the fine line and enters the desolate prison yards where men roam freely guards stand casually and the lives of the unworthy are lived Free of fear Maggie embraces the unembraced loves the unloved and relies on God But what happens when faith doesnt overcome evil What happens when you throw yourself into a prison What happens when the fine line begins to emerge **The Fine**

Line Alicia Kobishop,2013-12-06 High school senior Liv Evans has one rule No attachments She s lost enough in her life and has vowed to do whatever it takes to make sure she never again feels the emptiness of losing someone she loves Boys are a fun distraction but a serious relationship is something she d rather live without Her determination for a future free of pain and heartbreak is put to the test when she meets and quickly forms an unexpected bond with Logan Tanner Logan has always been a free spirit but ever since a life changing event took place which left him doubting the integrity of those who are closest to him he s taken that term to a whole new dangerous level Learning the hard way that life is too short for worries or work and that women can t be trusted Logan has exchanged steady work for street racing When Liv walks into his world everything he thought he knew about life and women is challenged In *The Fine Line* Liv and Logan will discover if it s possible for true love to have a future or if history is destined to repeat itself Recommended for mature readers due to strong language and sexual content *Moche Fineline Painting From San Jose De Moro* Christopher B. Donnan,Donald

McClelland,Donna McClelland,2007-12-31 Moche civilization flourished on the north coast of Peru from AD 200 to 800 Although the Moche had no writing system they left a vivid artistic record of their beliefs and activities on intricately painted ceramic vessels several thousand of which are scattered in museums and private collections throughout the world today Unfortunately nearly all were looted by grave robbers so their origin and context are unknown In recent years however through a combination of archaeological excavation and stylistic analysis it has been possible to identify more than 250 painted vessels from the site of San Jose de Moro To date this is the largest sample of Moche art from a single place and time Thus it provides a unique opportunity to identify a distinct sub style of Moche ceramics and to assess its range of artistic and technological variation Moreover within the sample it is possible to identify multiple paintings by 18 different artists thus elucidating the range of subject matter that an artist would paint as well as the variation in the way he would portray the

same scene By discussing and illustrating more than 200 painted vessels from San Jose de Moro this volume provides insights about a community of ancient Peruvian potters who shared a distinctive painting style and left a fascinating record of their achievement

The Midshipman Culture and Educational Reform Todd A. Forney, 2004 The Midshipman Culture and Educational Reform examines the effect of educational and professional reforms on the culture of Annapolis from 1945 to 1976 The Naval Academy has juggled the competing priorities of training and education throughout its history Proper balance was a perennial problem since the academy was limited to a four year timetable to graduation Bancroft Hall was the focal point for professional indoctrination and the heart and soul of the academy culture Its traditions and activities often competed with academies for the midshipmen s time and attention technology and operational requirements forced the school to reevaluate the emphasis paid to academics Outside groups such as the Folsom Board and Admiral Hyman Rickover also acted as a catalyst for reform The culmination of these efforts was the academic revolution of the 1960s which transformed Annapolis into an elite engineering college Midshipmen and their officers occasionally resisted changes that undercut their most cherished traditions including plebe indoctrination Ironically most core values of the academy culture remained similar to what they had always been including the emphasis on career service and loyalty to one s shipmates Fomey s book uses all original sources including a thorough survey of graduates from these years

What Is Self? Bernadette Roberts, 2005-01-15 The renowned contemporary mystic and author of *The Experience of No Self* presents her philosophical treatise on the nature of Self and God As a Carmelite nun Bernadette Roberts pursued a life in union with God She wrote compellingly about her contemplative spiritual journey in her memoirs *The Experience of No Self* and *The Path of No Self* Now she builds on the wisdom she gained exploring the ultimate consciousness that transcends self and experience In *What Is Self* Ms Roberts explains her conceptions of the ego the self and the revelations of the contemplative life Deeply personal and profoundly spiritual this latest effort puts all of Bernadette s insights into clearer and sharper perspective as though her own journey has grown clearer with distance
