The Fish House Gang Kenneth L. Funderburk, 2013-05-01 Randall Moss is known around Fort Walton Florida as a loud mouth braggart and a spaced out petty crook As he prepares to carry out his dream job Moss knows he cannot do it alone He gathers an eclectic group of beer loving thugs in his backyard to formulate a plan thinking that nothing can go wrong Unfortunately Moss's instincts have never been spot on Meanwhile Thomas Reed is busy reflecting on his ability to convince his community that he is a respected businessman instead of a dirty crook without any idea that a gang of men who seem to be ninjas is quietly waiting in the shadows to ruin his day Moments later Moss and Reed meet in a hail of gunfire that leaves Reed and his wife dead As the criminals speed away with their loot they are clueless that a security camera has captured every moment Now unwittingly entangled in a covert business run by the Mexican drug cartel and a suspect in a double murder Moss realizes too late that he is officially in over his head In this thrilling tale more murders follow as a police consultant is drawn into a challenging investigation that leads him into a dangerous cat and mouse game with a group of determined drug dealers
