The Fixer

G Thomas

The Fixer:

The Fixer's Enforcer Charlie Richards, Salem Galdesque was busy doing a favor for one of Master Krispin s allies when the news of several beloveds in his home coven reaches his ears He s happy for them even as he snickers at the shackles it places upon them As his coven s fixer he could only imagine the trouble such a bond would cause to his own life Salem loves being able to solve a problem by any means necessary whether it be by a payoff seduction or a good old fashioned beat down and maybe even more and answering to a beloved would be nothing but a headache His tactics makes his job easy not to mention fun When Salem is called home to the Maven coven he meets the gargoyle Keefe and realizes Fate has bestowed upon him a rather dubious gift Keefe is his beloved After just a couple of encounters Salem knows that between Keefe s serious need to color inside the lines and Salem s own prevalence toward shades of gray their different outlooks will cause nothing but problems Still Keefe is Salem s beloved and he knows he only gets one so they come to an agreement no talking shop with each other When they both uncover leads regarding the hunters troubling the Maven coven can they figure out how to work together or will their issues tear not only them apart but the coven as well

The Fixer's Daughter Hy Conrad,2020-12-09 From the Writer Producer of Monk and White Collar The Fixer s Daughter pits father against daughter in a twisted tale of murder deadly secrets and family loyalty Three years ago Callie McFee accidentally caused her father s political downfall Once the most influential man in Texas Buddy McFee resigned from office and became a fixer a person who makes big problems go away When a prominent CEO is caught trying to bury a raped and murdered girl it looks like an open and shut case But then Buddy steps in Soon the wealthy suspect develops an alibi and evidence starts disappearing Callie an investigative reporter used to adore her father He was brilliant but honorable Now she thinks he may be helping a cold blooded killer escape justice And then Callie discovers something even more troubling The great Buddy McFee the man protecting all the scandals in the state is in the early stages of dementia If this ever goes public it would destroy his spirit end his career and probably get him killed Can Callie go up against her father and expose a ruthless killer Can she do this and still keep his secret from the world Or as she inches closer to the truth will she wind up getting both of them murdered
