Transformations Thinking Through Feminism:

Transformations Sarah Ahmed, Jane Kilby, Celia Lury, Maureen McNeil, Maureen Mcneil, Beverley Skeggs, 2005-07-19
With contributions from some of the most important current feminist thinkers *Transformations* traces both the shifts in thinking that have allowed feminism to arrive at its present point and the way that feminist agendas have progressed in line with wider social developments A thorough reassessment of feminism's place in contemporary life the authors engage in current debates as diverse as globalization technoscience embodiment and performativity taking feminism in fresh directions mapping new territory and suggesting alternative possibilities

Feminism's Queer Temporalities Sam McBean, 2015-07-16
Despite feminism's uneven movements it has been predominantly understood through metaphors of generations or waves *Feminism's Queer Temporalities* builds on critiques of the limitations of this linear model to explore alternative ways of imagining feminism's timing It finds in feminism's literary and cultural archive narratives of temporality that might now be diagnosed as queer where queer designates modes of being historical that exceed the linear and the generational Few theorists have looked to popular feminist figures literature and culture to theorize feminism's timing Through methodologically creative readings McBean explores non generational anti linear and asynchronous time in the figure of Antigone Marge Piercy's *Woman on the Edge of Time* the film *Ladies and Gentlemen The Fabulous Stains* Valerie Solanas and *SCUM Manifesto* and Alison Bechdel's *Fun Home* The first to substantially bring together the ways in which time has come to matter in both feminist and queer disciplines this book will appeal to students and scholars of feminist queer and gender studies cultural studies and literary studies

TV Transformations Tania Lewis, 2013-09-13
The past decade has seen an explosion of lifestyle makeover TV shows Audiences around the world are being urged to renovate everything from their homes to their pets and children while lifestyle experts on TV now tell us what not to eat and what not to wear Makeover television and makeover culture is now ubiquitous and yet compared with reality TV shows like *Big Brother* and *Survivor* there has been relatively little critical attention paid to this format This exciting collection of essays written by leading media scholars from the UK US and Australia aims to reveal the reasons for the huge popularity and influence of the makeover show Written in a lively and accessible manner the essays brought together here will help readers make sense of makeover TV by offering a range of different approaches to understanding the emergence of this popular cultural phenomenon Looking at a range of shows from *The Biggest Loser* to *Trinny and Susannah Undress* essays include an analysis of how and why makeover TV shows have migrated across such a range of TV cultures the social significance of the rise of home renovation shows the different ways in which British versus American audiences identify with makeover shows and the growing role of lifestyle TV in the context of neo liberalism in educating us to be good citizens This book was published as a special issue of *Continuum Journal of Media and Cultural Studies*

Self-Harm Behavior and Eating Disorders John L. Levitt, Ph.D., Randy A. Sansone, M.D., Leigh Cohn, M.A.T., 2005-07-05
The number of eating disorders patients presenting

with symptoms of self harm is growing quickly and yet there is surprisingly little known about this unique population Self Harm Behavior and Eating Disorders explores the prevalent but largely uncharted relationship between self injury behaviors and eating disorders symptoms In the first major book to focus on this area a renowned group of international scholars and practitioners addresses the subject from a variety of theoretical and practical perspectives The book is categorized into sections covering epidemiology psychodynamics assessment and a final section covering potential treatment options including dialectical behavioral therapy cognitive therapy interventions strategies group therapy and pharmacological approaches This unrivaled collection of case studies theoretical exploration and practical application forms a benchmark for the field and offers a stepping stone for new research and innovative treatment strategies In an area with little available information previously spread out among diffuse sources this volume represents the state of the field resource for anyone working with complex eating disorders patients

Qualitative Research in Action Tim May,2002-03-20 This exciting new book brings together contributions from world leading scholars as well as younger researchers and focuses on cutting edge issues related to the practice of qualitative research in the field It provides a forum for contributors to discuss the issues and processes which inform qualitative research in its various forms as based on fieldwork experiences In achieving this in an accessible manner to both practicing students and researchers it seeks to enable a dialogue over ideas and provide the reader with a state of the art overview of the topic from a contemporary perspective Rather than being a how to do book this volume should prove vitally useful for advanced students and researchers who wish to engage with those ideas and practices in terms of their applicability for an understanding and explanation of the place of qualitative research in the social sciences It is also a forum in which leading scholars make an original contribution to the subject Lively and highly readable throughout Qualitative Research in Action will be essential reading for advanced undergraduates and above in a variety of disciplines as well as researchers who wish to engage with contemporary ideas and practices in relation to qualitative research

Women and the Irish Diaspora Breda Gray,2004-07-31 Women and the Irish Diaspora looks at the changing nature of national and cultural belonging both among women who have left Ireland and those who remain It identifies new ways of thinking about Irish modernity by looking specifically at women s lives and their experiences of migration and diaspora Based on original research with Irish women both in Ireland and in England this book explores how questions of mobility and stasis are recast along gender class racial and generational lines Through analyses of representations of the strong Irish mother migrant women the global Irish family and celebrity culture Breda Gray further unravels some of the complex relationships between femininity and Irish modernity ies

New Books on Women and Feminism ,2001 [The Tension Between Women's Rights and Religions](#) Sharon A. Bong,2006 This study considers how localizing the integration of rights cultures and religion challenges the universality and secularization of the rights discourse and practice globally the extent to which this bridges the disparity between the rhetoric and implementation of women s human rights in global and

local contexts and the embodiment of an Asian Malaysian feminist standpoint epistemology that has the potential to reconcile the impasse of universal versus cultural relativism of rights It offers a solution to the impasse of universalism versus relativism of rights in the rhetoric and practice of women s human rights **HJEAS** ,2002 **GLQ** ,1993 **Feminist Periodicals** ,2007 **Very Cyberfeminist International Reader** Helene von Oldenburg,2002 **Hecate** ,2003

Revisions Lisa Adkins,2002 In so doing it puts forward a distinctive thesis namely that within late modernity gender and sexuality are being reworked in terms of categories of reflexivity and risk It shows that this reworking places increasing significance on issues of mobility and identity in late modernity It therefore outlines the politics of mobility in regard to identity suggesting that mobility is an important but often neglected source of power in late modernity Revisions gender and sexuality in late modernity will be essential reading for advanced undergraduates research students and academics working in the fields of feminist theory social theory sociology women s studies and cultural studies Jacket **Five Pedagogies, a Thousand Possibilities** Michalinos Zembylas,2007 Five Pedagogies A Thousand Possibilities aims at providing the groundwork for articulating sites of enriching pedagogies so that critical hope and the possibility of transformation may stay alive The emotional experiences of unknowing silence passion desire forgiveness and reconciliation play an important political role in constituting critical resistance The implications of these ideas are discussed in the context of contemporary concerns about social justice conflict hope and despair These implications help us realize the potential of unknowing silence passion desire forgiveness and reconciliation as crucial pedagogical tasks and negotiate a hope that is truly critical As an alternative to pedagogies that negate the ethical and political implications of teachers and students emotional lives the present book demonstrates the need for pedagogies that enable the development of criticality without being overcome by despair The book will be of interest to academics researchers educators undergraduate and graduate students in the fields of social sciences and education and particularly in the subfields of philosophy of education curriculum theory teacher education and multicultural education **Identity in the 21st Century** Margaret Wetherell,2009-11-05 Bringing together leading scholars to investigate trends in contemporary social life this book examines the current patterning of identities based on class and community gender and generation race faith and ethnicity and derived from popular culture exploring debates about social change individualization and the re making of social class *Feminist Theory (II)* Joan Nordquist,2000 Each bibliography includes a comprehensive list of the theorist s works and critical studies of these works in English Each bibliography contains approximately 600 to 900 entries Books journal articles essays within edited books in the manner of Essay and General Literature and dissertations are included References are provided from a wide variety of disciplines and bibliographic sources The primary purpose of each bibliography is to provide access to the widely reprinted primary works in English and the critical literature in a great variety of books and journals The topical bibliographies include the authoritative works on the subject and are arranged in useful categories The lively part of the modern post modern debate is generally
