Traveling With Angels:

Traveling with Angels Yolanda Montalvo, 2022-12-08 I never imagined waking up to another world A world that is evil and very strange Where Angels come down from Heaven to destroy Demons In this dimension I have to learn how to survive in the supernatural world And the only way to survive the spirit world is God s word and believing in Jesus the son of God It is going to take faith to stay alive in this dimension I am a mother and grandmother I never considered writing and wrote this book because the Almighty God told me to The Lord called it my biography I hope you have enjoyed reading about my biography of *Traveling With Angels* All these stories happened to me in my life and travels with God s Angels *Traveling with the Angels* H. Sanaé, 2018-07-16 Have you ever felt like you dont belong anywhere Are you still trying to find a job that feels like you Do you feel like there is a hole in your chest but you dont know why If so this book can help you find the answers youve been seeking Sana believes that everyone is born with unknown gifts and talents Those who know their gifts may be afraid of sharing them due to their fear potentially connected to trauma or past pain In these pages she teaches you how to find the key to your heart by sharing her own story after her near death experience in addition to the signs she received from the angels Her desire to find what she was missing in life pushed her to take a leap of faith Sana hopes that this book will help you look within to see what is blocking you from achieving happiness With her honest feelings revealed through the lyrics she wrote on the beautiful photos taken by Dr Dennis Chen sunnaquair whom the angels sent into her life she proves to you that your old wounds can lead to your purpose Now are you ready to travel with the angels *Traveling with Angels* Linda Harrell, 1997-01-01 Real life encounters with God s Heavenly Messengers With simplicity and sincerity the author declares Angels took charge of our Personal Care Angels protected my baby sister 1950 Angels spared my life 1970 Angels kept our young daughter from drowning 1976 Angels spared us from another potential tragedy 1971 Angels kept me from hitting a huge Truck 1991 Angels push a big van away from us 1993 Angels woke me up when I had fallen asleep at the wheel 1993 Angels helped us over the Mountain 1995 Angels protected us on snow and Ice 1996 Angels provided a way of escape for my family 1996 Angels protected our house in an ice storm *Angelic Mysteries* Ricky Roberts, 2005-01-12 *Angelic Mysteries* is a systematic rationale which sets the record straight about angels and their existence Dr Ricky Roberts brings academic analysis to the text of the Scriptures and divides truth from myth fact from fiction and information from misinformation The degeneration of monotheism and the acceptance of other philosophical genres has lead to a disintegration of understanding of the mysteries of God s angelic forces Using the Word of God as the final arbiter Dr Roberts systematically reexamines the role of angels in the Bible from the first appearance of the Cherubim in Genesis 3 The truth contained in *Angelic Mysteries* therefore becomes the standard by which other writings must be measured *Angelic Mysteries* teaches the truth about The orders of God s angels The nature of angels The works of angels Common facts about angels About the author Dr Ricky Roberts was completely and instantaneously healed in 1977 of severe learning difficulties that had

plagued him since birth Today he has seven earned doctorates including two Ph D s and is an authority on ancient languages He speaks Greek Hebrew Aramaic and Latin He has been honored by Who s Who in America Who s Who in the World and most recently 1 000 Great Americans Dr Ricky Roberts is the founder of True Light Ministries a teaching and healing ministry based in Jacksonville Florida *Divine Prescriptions* Doreen Virtue,2001-10-05 Bestselling author Dr Doreen Virtue illuminates the ways we can receive healing messages from God and the guardian angels when we need guidance
