When Legends Meet:

When Legends Meet J.R. Roberts, When Legends Die J. R. Roberts, 1988 Clint Adams reputation as the Gunsmith had a weight as real as a six shooter But he never thought he would meet a gunslinger who could relieve him of that reputation s burden And then Johnny Robak found a way to separate Adams from his legend with a bullet **Helldorado** J.R. Roberts, If there s one thing Clint Adams can t abide it s cold blooded killing So when some greedy claim jumper lays low his old mining pal in Nevada s bushwhacker territory the Gunsmith vows to bring the scurvy vermin to justice But that s not so easy in a corrupt boomtown like Helldorado Gold hungry prospectors and hired gunslingers are bad enough but the sheriff from nearby Austin is even worse That is until Helldorado s shapely new mayor gives Clint Adams a shiny silver star and a free rein to clean up the town Gunsmith style *The Bounty Hunter* J.R. Roberts, *Dan Walker's Football Thronkersaurus* Dan Walker, 2014-10-09 What a strike from Mike Sheron what a thrunker screamed Dan Walker now the host of Football Focus And with that description of the kind of ferociously struck shot that would knock over a pig if it caught it full in the face the cult of the Thronker and eventually this book was born Glorifying everything that is weird and wonderful about the beautiful game Dan Walker s Football Thronkersaurus contains hilarious stories and facts that will answer almost any football question you could possibly think of from which outfield player went 20 years without scoring a goal to which player had to watch Willy Wonka and the Chocolate Factory before every game The Thronkersaurus has these and plenty more covered Laced with a load of Dan s daft stories from inside the world of broadcasting and his football crazy childhood the Thronkersaurus is the ultimate celebration of football its ridiculous characters and its incredible history **Grade Teacher** ,1922 **The Hanging Judge** J.R. Roberts, Kandahar Giant's True Story 30-Foot Cryptid 2002 AQEEL AHMED, 2025-11-18 Short Summary Kandahar Giant s True Story 30 Foot Cryptid 2002 This story is told by a girl named Nadia who was sixteen in 2002 living near the mountains of Kandahar Her city was full of war noises helicopters explosions and distant gunfire On TV people talked about war using cold words like casualties and operations But in the courtyards and kitchens people spoke in whispers and old legends Nadia s grandfather loved ancient books and stories He told her that every war sits on top of older stories the land still remembers Long before foreign soldiers came he said the mountains held Devs giants who walked taller than doors and shook stones loose when they stepped Some people believed these giants were guardians of secret paths and holy places Others said they were monsters who made people disappear To Nadia they sounded like myths that belonged in stories not in the real world Then one day a whole American patrol vanished in those same mountains No radio signal no broken vehicles no bodies just silence In that silence rumors spread fast Shepherds said they saw huge footprints too big to be human People whispered that something giant walking on two legs had taken the soldiers Officials called it nonsense folklore impossible and unconfirmed Nadia noticed those same words were often used about her country and her people too whenever their pain or questions did not fit what powerful people wanted to say So she

decided to tell the story underneath those words Her book is not full of secret documents or perfect photos that prove everything Instead it is about a terrified teenage girl a young soldier who has seen too much death and a lonely creature in a cave that might be the last of its kind It is about fear misunderstanding and what happens when legends meet real people You do not have to believe in Nadia But if you have ever wondered whether monsters might be something more older sadder and more complicated this is the story of what she says truly happened in Kandahar in 2002 **Report of Meeting** ,1912
