When Dreams Cross

G Thomas

When Dreams Cross:

When Dreams Cross Terri Blackstock,1996 **When Dreams Cross** Terri Blackstock,2010-02-23 Justin Pierce's brainchild Khaki Kangaroo is exactly the cartoon theme Andi Sherman needs for her world class amusement park Promised Land In turn Andi's park is the opportunity that can rocket Justin from obscurity to success For both of them spreading the Gospel through their creation is their passion a shared dream that could cement a powerful partnership If their shared past hadn't already driven them apart Now with construction of the park in its final phase what begins as an uneasy alliance between the successful businesswoman and the talented animator enters a baptism of fire Disaster stalks Promised Land and only by burying their pride can Justin and Andi save everything they've worked for from destruction When Dreams Cross is part of the Second Chances series by award winning suspense novelist Terri Blackstock Combining fast paced reading with realistic characters and situations Second Chances takes readers to where the conflict between good and evil becomes the proving grounds of faith

The Unsung Song Scott Alisaukas,2020-12-22 It's a good thing you found this book when you did As it is written for you the person who loves music and lyrics and putting the two together to create beautiful works of art The book you are holding in your hands right now is one of the most dynamic expressions of the modern day poet otherwise known as a lyricist Herein lies not just words but words that captivate your senses catapult your imagination and palpitate sensations you never knew you had These lyrical twists and turns tell stories that make you laugh pull at your heartstrings push your imagination to the brim of existence and takes you on a journey to the center of your mind Listen as a whirlwind of characters come to life before your ears and eyes It's just another hungry day in our hometown of thieves begging the blind for some sweet sunshine All is lost if nothing's found She was a butterfly by day and a firefly by night Take me to your island before all my passion drowns I've been waiting for your lonely tides to capture seasons out of time Fold your gentle majesty into lone soliloquies There are also eighty songs inspired by Jim Morrison and fifty songs worth of lyrics inspired by Emily Dickinson and a tribute to others section Let these musical lyrical rhymes be your guiding light on your way toward shining your own light

When Dreams Are Reality Shawn J. Scott,2026-03-17 Since recorded history we have been trying to define what dreams are The problem is there are many ways to approach it but only one right way Whether it is stored energy in the mind a scientific experiment or the goals that we set for ourselves there is one path to reveal its secrets However dreams start with our creation and lives deep within our soul Revealing them to the world is what most say is the ultimate achievement of success but I disagree for we are reality With every thought and every breath death is just a step away If we can reach deep within the channels of our mind we would find that it is not the voice of the world that we need to hear It is our own With hope anything is possible It leads us to believe that our dreams are within our reach As we follow the path and don't give up we have already achieved them and have found that the voice deep within us has led us to believe in this We live in a time when dreams are reality

PAPER PLANES IN BANGALORE DIVYA REDDY,2025-05-17 In the

stillness of her present Harshi finally breathes With space to feel the past rushes in not in fragments but vividly whole She recalls her mother s gentle voice her father s silent pride and the simplicity of home Everything changed when Nani entered bringing both calm and chaos What began as quiet friendship rooted in shared secrets and glances deepened into something more But love she discovered isn t always strong enough to bridge silence Misunderstandings grew and the distance between them became permanent not bitter just aching Life moved forward Harshi found comfort in Aishu and Ajay and later in Aryan whose presence felt like home With Aryan love was intense and tender but it had sharp edges His anger hidden at first slowly revealed itself leaving wounds she could no longer ignore In a defining moment everything broke And in the pieces Harshi made a choice to walk away from the pain from the version of herself that stayed too long and toward the woman she was meant to become Paper Planes in Bangalore is a life story it s a journey through heartbreak healing and self discovery It s about the quiet strength it takes to let go the ache of choosing peace over familiar pain and the resilience required to grow beyond what once defined you Most of all it s about becoming whole on your own
