Godfather Connection a.j. Lombardi,2021-02-03 An exciting new crime family saga begins here and will be a story you will not forget as you will witness the intrigue suspense romance betrayal loyalty and eventual redemption Following a tragic situation involving his family a young man grows into a gangster under the watchful eyes of Godfather Vincent In later years family betrayals are revealed prompting him to reevaluate his life faith and move to a redemptive future *English Couplets* M.R. Shetty,2007 *Memoirs of My struggles* Neil Chuma,2016-11-23 The war on drugs has created many problems in our society This book is an autobiographical alternative account of the author s life and how he came to face one of the most difficult laws ever imposed The book explores many themes such as racial identity prison crime and punishment poverty sex love drugs politics religion philosophy death and human identity The author delves deep into many themes considered taboo and dares to write what many fear to even consider an issue Discover a new way of looking at the world from the eyes of the man who has faced adversity in all its might **Casino Life** Phil Watts,2018-10-31 Walking through the doors of a casino can feel like entering a portal into another dimension A cacophony of electronic and human sounds assaults the ears as you watch people transacting large amounts of money But this is no ordinary purchasing of goods or services where you quietly wave a card or hand out notes from a purse Instead money is swapped for colourful plastic chips that are placed pushed and thrown onto gaming tables with seemingly reckless abandon by a wide array of people young old cultured relaxed happy and grim Phil Watts as an experienced forensic psychologist knew a lot about human nature before he walked into his first casino at 40 years of age He had treated clients with a wide range of difficulties including gambling yet was still struck by the casino environment an exciting world with its own culture pace rules social etiquette and shared expectations This other world intrigued and surprised him So he wrote a book about it Casino Life will be of interest to those who seeking to know more about casinos and their psychological effects those who seek to find out why others gamble and those who do gamble not as a treatment but as a window to see what you are doing and how that has an impact upon you Along the way you will read about why people gamble why gambling can become addictive and the treatments used to help problem gamblers as well as the beliefs around gambling and some of the elaborate theories people use to explain why they try to defy mathematical odds You will also learn about the fascinating cultural and behavioural patterns of everyday casino life
