Splm Spla The Nasir Declaration:

SPLM/SPLA Lam Akol,2003 In August 1991 three members of the SPLM SPLA Political military High Command made the Nasir Declaration This led to the split of the Movement One of the leaders of the move many say THE ringleader gives an account of the events that led to this momentous event in the SPLM SPLA history the developments that followed what went wrong in the process how the move affected Sudanese politics and the way forward for South Sudan **South Sudan** Matthew Arnold,Matthew LeRiche,Fellow in Managing Humanitarianism at the Londonschool of Economics Matthew Leriche,2012-10-23 In July 2011 the Republic of South Sudan achieved independence concluding what had been Africa s longest running civil war A story of transformation and of victory against the odds this book reviews South Sudan s modern history First Raise a Flag Peter Martell,2019-04-15 A beautifully written first hand account of how bitter and deadly rivalries dashed the hopes of the world s newest nation **Military Integration during War-to-Peace Transitions** Lesley Anne Warner,2023-06-07 In the 1960s only 10% of peace agreements included some element of political military accommodation namely military integration From Burundi to Bosnia to Zimbabwe that number had increased to over 50% by the 2000s However relatively little is understood about this dimension of power sharing often utilized during war to peace transitions Through an examination of the case of South Sudan between 2006 and 2013 this book explores why countries undergoing transitions from war to peace decide to integrate armed groups into a statutory security framework This book details how integration contributed to short term stability in South Sudan allowing the government to overcome wartime factionalism and consolidate political military power prior to the referendum on self determination in 2011 It also examines how the integration process in South Sudan was flawed by its open ended nature and lack of coordination with efforts to right size the military and transform the broader defense sector and how this led the military to fragment during periods of heightened political competition Furthermore the book explains why integration ultimately failed in South Sudan and identifies the wider lessons that could be applied to current or future war to peace transitions This book will be of great interest to students of war and conflict studies peacebuilding post conflict reconstruction African security issues and International Relations in general as well as to practitioners **Historical Dictionary of South Sudan** Douglas H. Johnson,Kuyok Abol Kuyok,Nicki Kindersley,2025-05-06 Historical Dictionary of South Sudan contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture **II Curso Para Diplomatas Africanos** ,2012 **Southern Sudan Vision** ,1992 *African Research & Documentation* ,2007 *The Southern Sudan* Elijah Malok,2009 For many centuries the politics of Sudan has been characterised by racial dichotomy and identity crisis specifically between the North and the South Added to these is the long history of domination unfavourable policies and uneven development The resulting marginalisation neglect and underdevelopment has bred a series of fierce

conflicts culminating in one of the longest civil wars in Africa between the Khartoum forces and the Sudan Peoples Liberation Army and Movement SPLA M The war ended with the signing of the Comprehensive Peace Agreement CPA in Nairobi on 9th January 2005 Unlike other publications *The Southern Sudan Struggle for Liberty* provides an in depth view of the struggle from a veteran s perspective Having himself lived the struggle and rising to the position of Commander in the SPLA the author renders a story of the conflict of Southern Sudan right from the Juba Conference of 1947 and the August 1955 mutiny through the Anyanya Movements to the civil war and eventual peace Using personal experience and accounts he also carries with him the personalities and events that shaped the struggle and expresses his hopes and fears of the future of Southern Sudan The events in the book are captivating the narrative riveting and the historical perspective academically stimulating The author s standpoint on issues is so provocative that it s bound to raffle a number of feathers in the political corridors of Southern Sudan

PREFACE TO THE THIRD EDITION It was exactly two years ago when the second edition of this book hit the shelves of book stalls Before the end of 2011 the copies produced had run out It was therefore necessary to reprint However this was an opportunity to correct the minor typographical errors that appeared in the second edition This edition went to the printers immediately after the Southern Sudanese have voted in the referendum for self determination as stipulated in the Comprehensive Peace Agreement See Chapter 10 Final results confirmed an overwhelming Vote for secession Therefore the Sudan will never be the same again Nevertheless it is our sincere hope that peace will continue to prevail between the North and South Sudan I am thankful to all those who took time to read the book and made useful suggestions for improvement Dr Lam Akol Khartoum January 2011
