Stealing Heaven:

Medieval Women on Film Kevin J. Harty, 2020-04-16 In this first ever book length treatment 11 scholars with a variety of backgrounds in medieval studies film studies and medievalism discuss how historical and fictional medieval women have been portrayed on film and their connections to the feminist movements of the 20th and 21st centuries From detailed studies of the portrayal of female desire and sexuality to explorations of how and when these women gain agency these essays look at the different ways these women reinforce defy and complicate traditional gender roles Individual essays discuss the complex and sometimes conflicting cinematic treatments of Guinevere Morgan Le Fay Isolde Maid Marian Lady Godiva Heloise Eleanor of Aquitaine and Joan of Arc Additional essays discuss the women in Fritz Lang's *The Nibelungen* Liv Ullmann's *Kristin Lavransdatter* and Bertrand Tavernier's *La Passion Beatrice* **Angels, Cleopatra and Psychosis** Michael Blackpegerpeger, 2011-06-01 Description This book tells the story of my battles within the mental health system over the last fourteen years I have from a psychiatrist's perspective variously been diagnosed as hypomanic schizophrenic manic depressive and as having schizoaffective disorder and in that order But from my point of view and as an ex-journalist I decided to investigate the mental health system from the inside out I have simply been on an extraordinary spiritual journey meeting the spirits of Michelangelo and Leonardo da Vinci meeting a spiritually persecuting Cardinal of the Roman Catholic Church meeting the ancient queen Cleopatra herself meeting the devilish spirit of Dr Josef Goebbels before penultimately having sex with the female angel Jana and finally meeting the fallen angel Lucifer himself The book recounts the story of all the above whilst also ending with a discussion and critique of contemporary psychiatry I do not believe myself to have been mentally ill I believe myself to be a visionary About the Author Michael Black was born in 1962 and *Angels Cleopatra And Psychosis* describes his life and spiritual experiences within the British mental health system over the past fifteen years The book stands up for the legitimacy of so-called psychotic experience and questions the validity of the received medical model Michael grew up in Cheshire where he attended Wilmslow Grammar School before doing an English and History degree at York University He then completed a doctorate in anti-apartheid literature at Cambridge University whilst variously working as a journalist and theatre producer Michael is the author of one novel *Crossing Out The Emperor* and six stage plays He has received three Arts Council Playwrights Bursaries and is currently working on a new novel and two film scripts The publication of *Angels Cleopatra And Psychosis* is supported by Macclesfield Mind **The Ascetic Saint** Ilia Phillips, As the Holy Son of a powerful Zen order he follows a path of silence discipline and relentless cultivation While others chase fame battles and shortcuts to power he meditates through the night tempers his spirit through hardship and refines his body and mind with unwavering resolve Yet the world is baffled Why is a prodigy so devoted to suffering Why is the Saint who should enjoy endless privileges choosing the hardest road Because he knows one truth Only through tireless ascetic training can he transcend mortal limits and rise to true enlightenment **Love You Hate You Miss You** Elizabeth Scott, 2009-05-26 Get
