William Baird (M.A.), 1874 *The Final Mission* Mark Druck, 1978-09-01 *The Prince of Destiny* Sarath Kumar Ghosh, 1909 This romance is a presentment of India by an Indian. It draws a picture of Indian life from the inside with its social customs and moral ideals, its eternal patience, its religious fervour, its passionate love. The book also reveals the Indian view of the causes of the present unrest and Britain's unseen peril in India. If Britain loses India, it will be by the neglect of such a warning. In the circumstances depicted, it would need the extraordinary love of an extraordinary man like the hero to save Britain's cause. Above all, this romance envelops the reader in the atmosphere of India as no work of a European has ever done and is a storehouse of Indian information which could not be obtained from any other source. Withal, it unfolds a story full of dramatic interest and instinct with deep emotions. Page v **The Final Mission** Arnold Jones, 2013-12-31 JD was a First Lieutenant in the United States Army Air Corps flying a B25 Mitchell during the war, but his life of service was a closely guarded secret for many years. During a road trip with his father, a young man learns about the heroic actions of his uncle and the mission that contributed significantly to the history of World War II and a top secret technology developed then for today's fighting forces. The story begins in the South Pacific and then shifts focus to Chicago's Navy Pier. Intrigue is afoot as the Germans and Japanese join forces in an attempt to destroy the ships that are supplying the United States Navy with newly trained aviators. The FBI is soon on the case and the investigation begins. As the story unfolds, budding romance intersects with political intrigue as two couples find themselves uniquely affected by their involvement with each other and the war. All the while, just below the surface, each struggles between the contrasting emotional demands of self-preservation and duty to country.
