Collector's Edition R. F. Kuang,2024-11-26 From the 1 New York Times bestselling author of Babel and Yellowface comes an all new fully illustrated collector s edition of R F Kuang s debut novel The Poppy War Considered one of Time Magazine s 100 Best Fantasy Books of All Time the story of orphaned Rin s rise to power gets a fresh look with black and white interior art by JungShan throughout When Rin aced the Keju the Empire wide test to find the most talented youth to learn at the Academies it was a shock to everyone to the test officials who couldn t believe a war orphan from Rooster Province could

pass without cheating to Rin's guardians who believed they'd finally be able to marry her off and further their criminal enterprise and to Rin herself who realized she was finally free of the servitude and despair that had made up her daily existence. That she got into Sinegard, the most elite military school in Nikan, was even more surprising. But surprises aren't always good. Because being a dark-skinned peasant girl from the south is not an easy thing at Sinegard. Targeted from the outset by rival classmates for her color, poverty, and gender, Rin discovers she possesses a lethal, unearthly power, an aptitude for the nearly mythical art of shamanism. Exploring the depths of her gift with the help of a seemingly insane teacher and psychoactive substances, Rin learns that gods long thought dead are very much alive and that mastering control over those powers could mean more than just surviving school. For while the Nikara Empire is at peace, the Federation of Mugen still lurks across a narrow sea. The militarily advanced Federation occupied Nikan for decades after the First Poppy War and only barely lost the continent in the Second. And while most of the people are complacent to go about their lives, a few are aware that a Third Poppy War is just a spark away. Rin's shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity and that it may already be too late.

White Fang Study Guide Jack London, 2003-01-01. Each 48-page Study Guide includes 35 reproducible exercises, teaching suggestions, background notes, chapter summaries, and answer keys. [The Complete Poppy War Trilogy](#) R. F. Kuang, 2023-06-06. From R. F. Kuang, the #1 New York Times bestselling and award-winning author of *Babel*, this collection features the novels in her historical military fantasy trilogy: *The Poppy War*, *The Dragon Republic*, and *The Burning God*, a complete epic inspired by the bloody history of China's twentieth century and filled with treachery and magic.

The Poppy War: A war orphan, Rin earned her place in Nikan's most elite military school. There she discovers her lethal, unearthly power of shamanism and learns that gods long thought dead are very much alive. When an inevitable conflict arises between longtime enemies, the Nikara Empire and the Federation of Mugen, Rin realizes her shamanic powers may be the only way to save her people. But as she finds out more about the god that has chosen her, the vengeful Phoenix, she fears that winning the war may cost her humanity.

The Dragon Republic: After committing an atrocity in battle, shamanic warrior Rin is consumed with guilt, an opium addiction, and the murderous commands of the fiery Phoenix god. Channeling her anger against the Empress who betrayed Rin's homeland, she chooses to join forces with the Empress's enemy, the Dragon Warlord. But as Rin discovers the true natures of the Empress and the Dragon Warlord, the temptation to unleash the Phoenix's fearsome power grows, and so does her vengeance.

The Burning God: After saving Nikan from foreign invaders and battling the evil Empress in a brutal civil war, Rin realizes that her homeland's real power lies with the millions of common people who thirst for vengeance and revere her as a goddess of salvation. Vowing to defeat all who threaten the shamanic arts, Rin's power and influence grows, but so does the Phoenix's intoxicating voice urging her to burn the world and everything in it. Mixing historical parallels of Chinese history, the themes of war, politics, and colonialism are balanced with terrific, flawed characters.
