**THE COMING OF MESSIAH IN GLORY AND MAJESTY** JUAN JOSAFAT BEN-EZRA, 1827 Introduction to Coming of Messiah Vol 1 2 While reading the book *The Crowned Christ* by Frederick W Grant he made mention of these volumes of Coming of Messiah So I went in search for them and found them in scanned PDF format using OCR software Poor copies This book was originally published prior to 1923 and represents a reproduction of an important historical work maintaining the same format as the original work While some publishers have opted to apply OCR optical character recognition technology to the process we believe this leads to sub optimal results frequent typographical errors strange characters and confusing formatting and does not adequately preserve the historical character of the original artifact We believe this work is culturally important in its original archival form While we strive to adequately clean and digitally enhance the original work there are occasionally instances where imperfections such as blurred or missing pages errant marks may have been introduced due to either the quality of the original work or the scanning process itself Despite these occasional imperfections we have brought it back into a digital epub format as part of our ongoing global book preservation commitment providing customers with access to the best possible historical books in epub format We appreciate your understanding of these occasional imperfections and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher With this republishing of the Coming of Massiah everyone can have this wonderful work in their digital library at
