*The Flight from God* Max Picard,1934      **The Flight from God** Max Picard,2002-01-01 A discussion of the effects of the pervasive modern abandonment of God on human nature and human culture      **The Flight from God ... With ... an Introduction by J.M. Cameron. (Translated by Marianne Kuschnitzky and J.M. Cameron.).** Max PICARD,James Munro CAMERON,Marianne KUSCHNITZKY,1951      **The Flight to God** Lori Ransom Jones,1987      **The Flight with God** Angel M Sumler,2018-03-14 Take a flight with God and experience how letting go of past baggage and taking a leap of faith can change your life If you are ready to let go and let God take you to the next level and into your purpose then join Angel Sumler as she shares her testimony of how she overcame drugs and an alternative lifestyle She expresses that if God helped her overcome these life challenges then He can do the same for you God has transformed her and she is now helping others to transform their lives God is waiting on you to take the first step of faith into the blessed life you too were meant to live

**The Flight From Humanity** R. J. Rushdoony,2014-02-18 The greatest threats to Christianity are those that are most unknown to the average Christian The most difficult threats to discern are those that are blended into our very worldview the ones that we think are true The Scripture warns If therefore the light that is in thee be darkness how great is that darkness Mt 6 23 i e the worst kind of darkness is the darkness we think is light One of the most neglected but pervasive threats to the Christian world and life view is that of neoplatonism This leftover of ancient Greek philosophy is grounded upon a dual aspect to reality It views that which is form or spirit such as mind as good and that which is physical flesh as evil Neoplatonism is a dialectical philosophy that tries to reconcile two basically hostile concepts and retain both within its system Neoplatonism presents man s dilemma as a metaphysical one whereas Scripture presents it as a moral problem Basing Christianity on this false neoplatonic idea will always shift the faith away from the Biblical perspective Modern ideas of spirituality have developed into a form of over against the Biblical model where the Spirit of God is active in the world and in the person to work out the will of God Too many Christians believe they can escape sin if they can escape the material world But Scripture says all of man fell into sin not just his flesh Flight From Humanity is a revealing look into the nature and effect of neoplatonism on contemporary Christian thought and it offers sound Biblical solutions for the believer who desires to fully serve God      *The Flight and Fall of the Eagle* John R. Sommerfeldt,2016-10-25 The intellectual cultural and political renaissance that characterized the Europe of Charlemagne was threatened severely by invasions from all sides Only Germany avoided the consequent phenomenon of feudalism This was due to a series of rulers who provided protection to the people reform to the Church and patronage of cultural revival From the thirteenth century this cultural and political unity began to fragment and by 1648 what had been a successful revival of the Roman Empire had been destroyed In addition to tracing the political cultural and religious history of medieval Germany this volume examines the thought of outstanding German men and women and includes an extensive account of the changing status of German Jews      *The Bus Driver Who Wanted To Be*

*God & Other Stories* Etgar Keret, 2015-10-13 Originally published in 2004 by Toby Press      *The Flight of Peter Fromm*  
 Martin Gardner, 1994 *The Flight of Peter Fromm* is a novel of ideas disguised as the biography of a young man from a  
 Pentecostal fundamentalist background in Oklahoma who loses his faith while a student at the University of Chicago Divinity  
 School His spiritual odyssey is narrated by his mentor a professor at the divinity school who is actually a humanist who  
 believes neither in God nor in an afterlife Although Peter never abandons his theism or his admiration for Jesus he reaches a  
 point where he feels it would be hypocritical to remain within the church and to become the evangelist he had hoped to be  
 The counterpoint between Peter and the narrator reflects the eternal conflict between theism and atheism In following the  
 changes of Peter's beliefs almost every aspect of Protestant theology and ethics is explored The evolution of Peter's faith  
 parallels the evolution of Christian theology from the day of Pentecost to contemporary liberal theology      *The sources of
