Transforming Word:

The Transforming Word Tony Evans, 2008-09-01 New in paperback from the Understanding God series Tony Evans encourages people who have read only portions of the Word to discover its transforming power He explains the uniqueness of the Bible how it came to be written and the blessings and promises it contains In his down to earth style Evans encourages readers to open their Bibles and their hearts to God s message Living in God's True Story (Transformative Word) Donald L. Morcom, 2021-06-09 In *Living in God s True Story 2* Peter Donald L Morcom shows that remembering the truth is the core theme of Peter s second letter In the midst of false alternatives he encourages believers to live faithful lives that demonstrate mercy love and wisdom Though it may be short 2 Peter is an impactful letter that explains how we can order our lives in accordance with God s true story *Life in the Word* Philip Mauro, 1909 **Son of Man and Son of God** John C. Dwyer, 2005-04-11 For the Christian there is only one question that really matters Who is Jesus Christ The answer to this question determines the way we think about God and about ourselves and therefore it determines the way we live and the way we die This book strives to answer that question by taking as its starting point a critical reading of the New Testament and by evaluating the role played by almost nineteen centuries of doctrinal and dogmatic tradition in fashioning the faith of the Christian today This book invites the reader to engage in serious theological thought but it is not written for professional theologians alone It is written for all inside and outside the churches who are attracted by Jesus of Nazareth and who want to answer his own question Who do you say that I am A Passionate Faith Richard Turnbull, 2012-11-16 Evangelical is a badge a line in the sand a term of abuse a much overworked word What are the key markers of the evangelical faith How did the movement come into being and how is it changing What is its style then and now and what is its theology Richard Turnbull shows how and why the evangelicals have not only survived but have grown strong and explains their unique contribution to world Christianity He covers the historical roots of evangelical spirituality the place of the Bible the concepts of conversion personal transformation and call evangelism and service worship and revival The greatest need of our age is for the Church to rediscover her evangelical foundations Dr Turnbull tells the stirring story of the rise of evangelicalism of a beautiful Saviour a Living Scripture a heart felt Song and a sending Spirit Read this book recall the cloud of witnesses remind yourself of what matters revive your own faith then go reach a lost world for Christ Simon Ponsonby Pastor of Theology at St Aldates Church Oxford There are great riches within the evangelical tradition to resource the whole Church and it is vital that evangelicals become better acquainted with their heritage Richard Turnbull s study shows how evangelicals in the past forged a spirituality that had clarity and depth and calls us to do the same Revd Dr Liz Hoare Tutor in Prayer Spirituality and Mission at Wycliffe Hall Oxford Shaping the Journey Daniel Ethan Harris, 2025-08-21 How do the theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement *Shaping the Journey* brings John Wesley and Thomas Merton into critical dialogue examining their distinct yet

complementary contributions to Christian spirituality With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions Central to this synthesis is the work of M Robert Mulholland Jr whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent Engaging history theology and spirituality this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation

Where Is My Honor? Dr. Josef A. Howard,2018-11-17 Many books have been written about our relationship with God Some of them give us distorted images of ourselves life as a whole or how our relationship ought to be with God This book is an exception to the rule In writing this book my goal was not to point out our flaws and God s disdain for us On the contrary it was to show how in and of ourselves we disappoint God continuously like the children of Israel and that God has made a way for us to honor him through Christ Jesus I therefore had six goals in mind each time I sat to pen this book under the guidance of the Holy Spirit First and foremost *Where Is My Honor* is intended to help us reflect on how we are personally honoring God in our lives and not necessarily looking at how others are honoring him Second it is intended to be a mirror through which we see the dirt in our lives Third it is a tool to help us do a reality check in terms of our relationship with God Do we truly love him Are we honoring him in ways that he deserves If he were to ask us *Where is my honor* what would we say to him In other words this masterpiece should help us to stop sleepwalking spiritually Fourth this book is provocative to us After recognizing and acknowledging the dirt we see through this mirror it calls on us to seek the help of the Holy Spirit to remove the dirt Fifth this book helps us to see how fine beautiful or handsome we are after we have been cleansed by the blood of the lamb Finally *Where Is My Honor* helps us see understand and fully appreciate how good big and truly awesome God is
