What is a Superhero? Robin S. Rosenberg, PhD,Peter MacFarland Coogan,2013-09-19 What is a superhero Everyone knows right And yet everyone seems to have a different answer In this innovative collection of essays renowned psychologist Robin Rosenberg and comics scholar Peter Coogan explore this question from a variety of viewpoints With essays from scholars and commentaries by the writers and creators themselves What is a Superhero is the first volume to provide a true synthesis and reflection of the state of superheroes in our society today

What's Wrong with My Dog? Jake Tedaldi,2007

What's what with Questions Ceil Kovac,Stephen R. Cahir,1981 This series designed for use in inservice teacher workshops addresses the question How do children and teachers use language to get things done The transcribed classroom discourse presented and discussed in each volume illustrates functional language in a real context based on the videotaping of undoctored classroom events from kindergarten and grades 1 to 3 Each manual contains workshop exercises to be used with the videotape describes the theoretical framework from which the work stems and includes verbal transcripts of the language used in the tapes The present volume explores the use of question asking strategies in the classroom Functions of questions beyond merely obtaining information are dealt with Children are shown to have a variety of ways of using questions It is suggested that educators can make use of knowledge of this variety for preservice and inservice training The videotape depicts several child child interactions that involve a number of questions Author JB
