## **When Angels Cry:**

**When Angels Cry** Neil Antonio, 2008-11 *Pearls of Wisdom* is a story about life and death. It is a story of one man's path to finding love, happiness, and a fulfilled life. Aaron Long had died of terminal lung cancer. His loving wife, Caitlin, was grief-stricken and had delayed gathering his personal belongings. Finally, after two weeks of grieving, she decided it was time to complete this task. While she was going through his personal belongings, she found an envelope with a note and a safe deposit key. The note described a journal he had written just before his death and placed in a safe deposit box. Caitlin Long went to the safe deposit box and retrieved her husband's journal. As she began reading the journal, she soon realized it was his final gift to her. *Pearls of Wisdom* is about self-discovery and self-fulfillment. The importance of human relationships cannot be understated when attempting to have a happy and fulfilled life. The story deals with topics that people face during their lifetime. They may face some or all of the following topics: parental influence, success and failure, love, race, war, suicide, marriage, and children's education, health, and eventually death. *Pearls of Wisdom* is a story of love, hope, and living life to its fullest.

**When Angels Cry** David O'Neill, 2000 This book is an emotional account of one family's experience of dealing with the disclosure of child sexual abuse by a relative. **Earth Angels** Susan Duke, 2010-06-15 Susan Duke tells the stories about human inspiration of ordinary people that inspire and move our hearts, demonstrating a touch of Heaven right here on Earth in this inspiration collection. The best stories, the ones that touch our hearts at their very cores, the ones that inspire us to our greatest heights, are true stories of ordinary people we can relate to. People who share a kind word in time of need, do a simple deed that lifts a weary heart, or make a difference in a difficult day. The stories in this book are not about great-winged celestial beings sent from heaven's majestic gates. No, these stories are about earth angels. The kind of angels who unknowingly intercept a suicide attempt through a gentle act of kindness, beam messages of hope over an old CB radio, or provide patient care in a duck suit. As you read the stories in this book, your spirit will be inspired, and the strings of your heart tuned to opportunities for you to be a little bit of heaven right here on earth.

*Whispers From The Sea* Brooke Cullen, 2012-05-23 Inspired by legends found in her Irish ancestry, Brooke Cullen wrote this series of poetic short stories. Driven by her romance with nature and life, she created a variety of inspiring tales. And while sharing several of her own experiences, she takes us into her world of spirit, mystery, and wonder.

*Heavenly Thoughts* Kenneth E. Straight, 2025-09-23 While I was growing up, I used to write my own cards for everyone, but I never thought my poetry was any good. But my mom always loved what I wrote; she always looked forward to getting my homemade cards for her. I would do my own drawing for the cards, and then I would write my own message on it for the occasion. I always loved to draw and always got good grades in art class and all my drawing classes, but

when it came to my writings I never did very well and never think what I wrote was very good however all my family loved my writings and my cards As I grew up I tried to refine my writings to make them better but I still didn't think they were good until I entered a poetry writing contest and they chose to publish it Then with the next poem I entered in the next contest it got published again and also got me nominated for best poem and poet of the year I got nominated for best poem or poet of the year nine times in a row but I still never thought my poems were that good I love writing and drawing but I have gotten away from drawings with the poems on the cards But I have earned two degrees the main degree I want to use more than anything is my Architectural CAD Drafting and Design degree But I'm also more focused on my poetry to see how much people truly like them Most of my poetry is about God but also about missing my mom since she passed away from cancer when I was twenty years old I think missing my mom has helped me write better than ever

**When Angels Cry** MaryLu Tyndall, 2017-03-20 Not since the Left Behind series has there been a

more compelling and eye opening novel Taut tense and totally unpredictable When Angels Cry is a powerful love story not only for the heart and soul but one for the ages especially the age to come Julie Lessman award winning author of the Daughters of Boston Winds of Change and Isle of Hope series In the not too distant future Wars plagues and famines ravage the world immorality and violence are rampant and the Bible is outlawed Angelica Smoke a single mother and cocktail waitress ascends the steps of a megachurch to deliver a message from God to the one man she hoped to never see again That message thrusts world famous pastor Daniel Cain into a whirlwind of confusion causing him to seek out Angelica and demand an explanation But the woman broke his heart once and is now involved in a fanatical cult Even being seen with her could damage his career Still he cannot stay away and the more time he spends with her the more he begins to doubt everything he believes Angelica is a seer God grants her visions of the future but she has no idea what to do with them Her top priority is protecting her son from the world the culture the devil and especially from Daniel But God keeps throwing them together causing her fears to rise and reopening old wounds that threaten to tear her soul apart Angels watch over the couple protecting and hoping they will make the right choices But the angels are limited in what they can do as the end of the age comes to a close and the spiritual battles intensify not only for Angelica and Daniel but for all humanity Action packed and thrilling When Angels Cry is not only a great read but a thought provoking tale In the flavor of Peretti and Left Behind this story paints a vivid picture of what things might be like in the last days Michelle Griep author of The Captive Heart Brentwood s Ward
