Small Wildcats:

Small Wild Cats James G. Sanderson, Patrick Watson, 2011-10-01 Did you know that most wild cat species are small and that lions tigers and other large cats are the exception That adult bobcats clouded leopards and other small wild cats are completely asocial And that they fight only as a last resort This entertaining and informative book reveals these and hundreds of other facts about the behavior biology and conservation of the more than 30 small wild cat species From bobcats to servals small cats are spread across the globe They range in size from the rusty spotted cat and African black footed cat each of which weighs around 5 pounds when fully grown to the Eurasian lynx which can reach an adult weight of 60 pounds These felids are elusive some are nocturnal others are arboreal and all are rare and secretive making them especially difficult to study James G Sanderson the world s leading field expert on small wild cats and naturalist and wildlife artist Patrick Watson provide informative and entertaining answers to common and unexpected questions about these animals The authors explain why some small cats live on the ground while others inhabit trees discuss the form and function of their coat types and colors offer scientifically sound information on human small wild cat interactions and even review the role that small wild cats have played in literature religion and mythology The world of cats is as fascinating as it is diverse Small Wild Cats The Animal Answer Guide shows just how important and interesting the littlest of the nondomesticated feline family are

Outsmarting Cats Wendy Christensen, 2013-02-27 While cat owners adore their purring fuzzy friends cats can have another rather unpleasant side Some pee on carpets shred upholstery chomp houseplants caterwaul at all hours and scratch and bite Skeptics will claim that it s impossible to train a cat Happily Wendy Christensen knows they re wrong True cats are intelligent adaptable patient independent stubborn observant and extremely quick learners But they re also remarkably self interested and quick to exploit a good deal Outsmarting Cats enables you to persuade your cat that what you want is also what she wants Whatever your specific cat problem Wendy Christensen gives all the latest information on what works and what doesn t She shares tried and true tips and resources for resolving even the thorniest behavior problems And she ll tell you how to head off future problems simply by understanding how your cat thinks **Small Wildcats** Samantha Bonar, 2002 Presents information on the physical characteristics habitats and behavior of wildcats Practical Feline Behaviour Trudi Atkinson, 2018-07-03 Practical Feline Behaviour contains all the relevant information that a veterinary nurse or technician needs to understand and handle the behaviour and welfare of house cats and to offer safe and practical advice to clients There have been ground breaking advances in our understanding of feline behaviour in recent years and to protect the welfare of cats it is increasingly important that anyone involved with their care especially those in a professional capacity keep up to date with these developments This approachable and down to earth text describes the internal and external influences on feline behaviour on communication learning social behaviour the relationship between behaviour and disease and the cat human relationship It also provides practical advice on how the welfare of cats in our care may be protected and

how behaviour problems should be addressed and how to avoid them In this book Trudi Atkinson draws on her extensive experience as a veterinary nurse and a Certified Clinical Animal Behaviourist to provide a rapid reference and an intensely practical feline behaviour resource for owners breeders veterinary professionals shelter and cattery workers and anyone involved in the care of our feline companions
