Yelling or screaming	➔	Extra chores
Hitting or kicking	➔	No friends over for a week

# The Consequences

**Canada. Parliament. Senate**

## **The Consequences:**

Abortion, Execution, and the Consequences of Taking Life James D. Slack, 2011-12-31 This book focuses on the relationship between public morality and personal action in the American political community It emphasizes the responsibilities of citizens and government to find and confirm truth looking to specific sources religious scripture and empirical events Recognizing that we have a natural preference for distraction and distance from both sources of truth Slack uses qualitative open ended interviews and direct observation to uncover the intimate consequences of life taking in open societies Abortion and murder capital punishment are instances in which there is a sequence of events that result in life taking The act of murder denies the sanctity of life of someone else Abortion and capital punishment also deny the sanctity of the lives of others The intimacy of life taking is not typically acknowledged or remains hidden This makes it difficult to assess the consequences for victims survivors and the political community as a whole As a result there is only a tenuous link between public actions that question the sanctity of human life and the moral compass professed by the American democracy The volume presumes a theocentric foundation envisioned by the American Founders It explores the model s first source of truth biblical scripture as it applies to the public actions of murder abortion and capital punishment Then it investigates the intimate reality of these acts These realities are examined in a variety of settings resulting in a mosaic pattern of public action about capital punishment and abortion Slack underscores the importance of government s role of providing outward justice as well as the citizen s responsibility to be supportive of government tasks in order to reconcile the reality of life taking with the moral compass professed in the American political community Project Management Bjarne Kousholt, 2007

**The 5 Love Languages/5 Love Languages for Men/5 Love Languages of Teenagers/5 Love Languages of Children Set** Gary Chapman, Ross Campbell, 2016-04-15 This set includes The 5 Love Languages The 5 Love Languages for Men The 5 Love Languages of Teenagers and The 5 Love Languages of Children In The 5 Love Languages 1 New York Times bestselling author Dr Gary Chapman guides couples in identifying understanding and speaking their spouse s primary love language quality time words of affirmation gifts acts of service or physical touch By learning the five love languages you and your spouse will discover your unique love languages and learn practical steps in truly loving each other Chapters are categorized by love language for easy reference and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction A newly designed love languages assessment will help you understand and strengthen your relationship You can build a lasting loving marriage together In The 5 Love Languages for Men Dr Chapman guides husbands in identifying understanding and speaking their wife s love language Husbands are commanded to love their wives but do you know what really makes your wife feel loved Are you tired of missed cues and confusing signals Everyone has a primary love language quality time words of affirmation gifts acts of service or physical touch Each chapter concludes with ten simple and practical ideas for expressing that love language to your wife You ll both enjoy taking the new

love languages assessment and building a lasting loving marriage Includes a promotional code to gain exclusive online access to the new comprehensive love languages assessment In *The 5 Love Languages of Children* the author examines the different languages your children speak Sometimes they waver for your attention and other times they ignore you completely Sometimes they are filled with gratitude and affection and other times they seem totally indifferent Attitude Behavior Development Everything depends on the love relationship between you and your child When children feel loved they do their best But how can you make sure your child feels loved Since 1992 Dr Gary Chapman s best selling book *The Five Love Languages* has helped more than 300 000 couples develop stronger more fulfilling relationships by teaching them to speak each others love language Each child too expresses and receives love through one of five different communication styles And your love language may be totally different from that of your child While you are doing all you can to show your child love he may be hearing it as something completely opposite Discover your child s primary language and learn what you can do to effectively convey unconditional feelings of respect affection and commitment that will resonate in your child s emotions and behavior In *The 5 Love Languages of Teenagers* Dr Gary Chapman explores the world in which teenagers live explains the developmental changes and give tools to help you identify and appropriately communicate in your teens love language Socially mentally and spiritually teenagers face a variety of pressures and stresses each day Despite these peer pressures it is still parents who can influence teens the most Are you equipped to love your teenager effectively Get practical tips on loving your teen effectively and explore key issues in your teen s life including anger and independence Finally learn how to set boundaries that are enforced with discipline and consequences and discover useful ways for the difficult task of loving when your teen fails Get ready to discover how the principles of the five love languages can really work in the lives of your teens and family Over 400 000 copies sold

**Summa Theologica (All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations)** Thomas Aquinas,2013-08-20 This carefully crafted ebook *Summa Theologica All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations* is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the *Summa* is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The *Summa Theologica* is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises

discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man s reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the Summa Theologica then examines the nature and purpose of man Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquin or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory
